IRAQ

Please find below the list of the social security legislation of your country available in NATLEX, the ILO database of national labour, social security and related human rights legislation maintained by the International Labour Standards Department. This legislation will be referred to by the Committee of Experts on the Application of Conventions and Recommendations (CEACR) for the purpose of preparing the General Survey on social security instruments. In order to provide the CEACR with the most up-to-date legislation, please complete this list with new or amended legislation and signal any other corrections to be made.
