Enrolment schemes

71 Purpose and principles

- (1) The purpose of the enrolment scheme of a State school is—
- (a) to avoid overcrowding, or the likelihood of overcrowding, at the school; and
 - (b) to ensure that the selection of applicants for enrolment at the school is carried out in a fair and transparent manner; and
 - (c) to enable the Secretary to make the best use of existing networks of State schools.
- (2) In achieving its purpose, the enrolment scheme of every State school must, as far as possible, ensure that—
- (a) the scheme does not exclude local students; and
 - (b) no more students are excluded from the school than is necessary to avoid overcrowding at the school.

Compare: 1989 No 80 s 11A

72 When enrolment schemes required

- (1) If overcrowding occurs or is likely to occur at a State school, the Secretary must establish an enrolment scheme for the school.
- (2) An enrolment scheme must comply with Schedule 20 and any regulations made under this Act regarding enrolment schemes.

73 Content of enrolment schemes

A State school's enrolment scheme must—

- (a) define a home zone for the school; and
- (b) identify any special programmes offered by the school and the criteria by which students are to be accepted into any special programme.

Compare: 1989 No 80 s 11C

74 How enrolment schemes work

- (1) A person who lives in the home zone of a State school that has an enrolment scheme is entitled to enrol at that school.
- (2) An applicant for enrolment at a school with an enrolment scheme who lives outside the school's home zone is entitled to enrol at the school only—

- (a) if the applicant is offered a place at the school in accordance with the procedure set out in the enrolment scheme; or
- (b) if the Secretary has agreed or directed under section 37, or directed under section 76, 82, or 87 or clause 14 of Schedule 20, or directed in accordance with regulations made under this Act, that the student be enrolled at the school; or
- (c) if all of the following apply:
 - (i) the student has been excluded or expelled from another school (**school A**); and
 - (ii) the principal of the school at which the student wishes to enrol agrees, by arrangement with the principal of school A, to enrol the student; and
 - (iii) the Secretary endorses the proposal.

Compare: 1989 No 80 s 11D

75 Additional entitlement to enrol in certain circumstances

- (1) Despite section 74, the Secretary may authorise an enrolment scheme to permit a student to enrol at the school as if the student lived in the home zone of the school if,—
 - (a) in the case of an existing enrolment scheme whose home zone is amended,—
 - (i) the student lives outside the amended home zone; and
 - (ii) the student has a sibling who is enrolled at the school at the time that the amendment is implemented; and
 - (iii) the sibling, at the time that the amendment is implemented, lives inside the home zone as it was before the amendment; and
 - (iv) the student, at the time of enrolment, lives inside the home zone as it was before the amendment;
 - (b) in the case of a new enrolment scheme, the student—
 - (i) lives outside of the home zone of the new enrolment scheme; and
 - (ii) has a sibling who is enrolled at the school at the time that the new enrolment scheme is implemented.
- (2) Before granting an authorisation under subsection (1), the Secretary must be satisfied that doing so—
 - (a) is in the best interests of the school and local community; and
 - (b) can be managed within the existing school network.
- (3) For the purposes of this section, child A is the **sibling** of child B if—
 - (a) both children have the same parent; or

- (b) a parent of child A is married to, or in a civil union with, a parent of child B; or
- (c) a parent of child A was married to, or in a civil union with, a parent of child B at the time when child B's parent died; or
- (d) a parent of child A is the de facto partner of a parent of child B; or
- (e) both children live in the same household and, in recognition of family obligations, are treated by the adults of that household as if they were siblings; or
- (f) the Secretary, by written notice to the school, advises that child A is to be treated as the sibling of child B.

 - (b) the student (if the student has turned 20 years) or a parent of the student (in any other case); and
 - (c) the Medical Officer of Health.

- (3) If a student has been precluded on suspicion of having a communicable disease, the board must, as soon as practicable, investigate the matter and—
 - (a) cancel the preclusion; or
 - (b) confirm that the student should stay precluded until the board has received a certificate from a medical practitioner stating that the student is well enough to go back to school.
- (4) A principal or a board is not liable for any act done or omitted—
 - (a) in good faith; and
 - (b) with reasonable care; and
 - (c) in exercising or performing, or in intending to exercise or perform, a power or duty under this section.
- (5) If a parent is charged with an offence against section 244—
 - (a) it is a defence to the charge if it is proved that—
 - (i) the student did not attend because the student was precluded for having a communicable disease; and
 - (ii) the time for which the student did not attend was no longer than was necessary for the board to cancel the preclusion or the student to get well enough to go back to school; and
 - (b) except to the extent set out in paragraph (a), it is not a defence to the charge that the student did not attend because the student was precluded under subsection (1).

- (1) The Minister must determine the design of the funding mechanisms that TEC uses to fund organisations.
- (2) Without limiting subsection (1), in making a determination, the Minister must—
 - (a) identify the general form and essential components of each funding mechanism; and
 - (b) indicate which of the funding mechanisms relates to—
 - (i) funding to be paid by TEC under section 425 (which relates to funding organisations via plans); and

- (ii) funding to be paid by TEC under section 428 (which relates to funding organisations other than via plans); and
 - (iii) other types of funding (if any).
- (3) Without limiting subsection (1), in making a determination, the Minister may—
 - (a) specify the amount of money, or the proportion of an amount of money, available under any particular funding mechanism; and
 - (b) provide for funding to different groups of organisations or types of organisation; and
 - (c) provide for different versions of, or modifications to, a funding mechanism when applying it to different groups of organisations or types of organisation; and
 - (d) specify the conditions that TEC must attach to funding that is provided under funding mechanisms, including (without limitation) conditions setting limits on fees that organisations may charge—
 - (i) domestic students:
 - (ii) employers for supporting their employees' work-based training; and
 - (e) provide for funding that targets particular groups of students.

420 Restrictions on design of funding mechanisms

- (1) In determining a design for a funding mechanism under section 419 or in varying a determination under section 423, the Minister may not—
 - (a) identify a specified organisation or specified organisations to which funding is to be provided or denied under any funding mechanism; or
 - (b) specify conditions under section 419(3)(d) that set limits on the fees that organisations may charge domestic students or that organisations may charge employers until—

 - (A) states that the Minister proposes to specify conditions of that kind; and
 - (B) sets out the proposed conditions; and
 - (C) invites submissions on the proposed conditions; and
 - (D) specifies the date by which submissions must be received, which must be a date no later than 21 days after the date of the *Gazette* notice; and
 - (ii) the date by which submissions must be received has passed.

- (2) However, the Minister may direct that funding be provided to NZIST via a funding mechanism if the Minister reasonably considers that it is consistent with the efficient use of national resources and in the national interest to do so.

 - (a) if it is reasonably necessary to do so; and
 - (b) by making changes in relation to the matters mentioned in section 419(3).

 - (a) all organisations that would be affected by a variation that the Minister proposes; and
 - (b) all other persons and organisations that the Minister thinks fit to consult.
- (4) However, the Minister is not required to consult under subsection (3) in relation to a variation of the conditions under section 419(3)(d) that set limits on the fees that organisations may charge domestic students and employers.
- (5) If the Minister varies a determination, an organisation affected by the variation must—
 - (a) consider whether any amendments are needed to its plan as a result of the variation; and
 - (b) if it considers that a significant amendment is needed to its plan, or that its plan needs to be replaced, ask TEC to approve the significant amendment to, or the replacement of, its plan under clause 20 of Schedule 18.

- (6) If the Minister varies a determination and, as a result of the variation, TEC must attach new conditions to funding under a funding mechanism,—
 - (a) TEC must attach the new conditions to any funding approval that it has given under that funding mechanism; and
 - (b) TEC must notify any affected organisation of the attachment of the new conditions to the organisation's funding approval; and
 - (c) the new conditions take effect on the date on which the affected organisation is so notified.
- (7) If the Minister varies a determination, the variation takes effect on a date specified by the Minister, which must be no earlier than whichever is the later of the following:
 - (a) the day that is 3 months after the date on which the Minister varies the determination;
 - (b) the beginning of the calendar year after the calendar year during which the Minister varies the determination.

- (2) The fact that a council member was appointed by the council in accordance with a statute providing for the appointment of a member (or 2 or more members) to represent the interests of a stated institution or of people or institutions of a stated description does not limit or affect the council member’s duty under subclause (1)(a)(ii) to act in the interests of the institution as a whole.

 - (b) states the period for which each scheme has been in place; and
 - (c) notes the schools near schools that have schemes in place; and
 - (d) outlines any plans included in the Ministry's property development programme or other programmes to address the pressures on capacity in areas where a number of adjacent schools have enrolment schemes in place, including development plans to manage school population changes to maximise (to the extent it is reasonable and practicable to do so) the opportunity for students to attend a reasonably convenient State school.

Schedule 21

When State schools must be open

ss 115, 659(1), (2)

1 Length of school year

- (1) The Minister may, before 1 July in any year, specify the number of half-days on which schools must be open during the next year.
- (2) For the purposes of subclause (1), different numbers may be fixed for schools of different classes or descriptions.
- (3) Except as provided in this Act, a board must ensure that each school it administers is open for instruction on the number of half-days specified under subclause (1).
- (4) If, because of a strike or lockout, a school is not open for instruction on any half-day, the school is, for the purposes of subclause (2), treated as having been open for instruction on that half-day.
- (5) If the Minister fails to specify the number of half-days on which schools must be open in any year, the number specified for the previous year applies for that year.

Compare: 1989 No 80 s 65A

2 Terms

- (1) The Minister may, before 1 July in any year, specify (by reference to specific dates, specified days, the number of half-days determined under clause 1, or any 2 or more of those means)—
 - (a) the terms that schools must observe during the next year; or
 - (b) a means for ascertaining or determining those terms.
- (2) A board must ensure that each school it administers is open for instruction for 1 half-day that finishes at or before noon and 1 half-day that starts at or after noon on every day during the terms specified, ascertained, or determined under subclause (1).
- (3) However, a board may vary the time at which any 1 or more half-days take place (for example, by starting a second half-day before noon) if the board—
 - (a) has adequately consulted parents, staff, the local community, and any other person who the board considers may be affected about the proposed variation and it is generally acceptable; and
 - (b) is satisfied that the adoption of the proposal would not result in the students of the school spending less time in school than other students in comparable schools and other local schools; and
 - (c) has taken all reasonable steps to notify students and parents in writing of the board's final decision on the proposed variation.

- (4) A board may also vary the time at which any 1 or more half-days take place without satisfying the requirements in subclause (3)(a) if—
 - (a) the variation is made for operational reasons; and
 - (b) the variation applies for no more than 2 days; and
 - (c) the board has not made a variation under this subclause during the previous 6 weeks.
- (5) A student enrolled at a State school must comply with section 36 even if the school's board varies the time of any 1 or more half-days.
- (6) On any day, a school is not open for instruction at all if it is open for less than 1 half-day.
- (7) To avoid doubt, if a school opens on any day for only 1 half-day, that half-day may be counted towards the number of half-days fixed by the Minister under clause 1(1).
- (8) If the Minister fails to specify terms, or a means of ascertaining or determining them, in any year, the terms specified for the previous year apply for that year.
Compare: 1989 No 80 s 65B

3 Holidays

- (1) A board must ensure that each school it administers is closed on—
 - (a) Saturdays, Sundays, New Year's Day, 2 January, Waitangi Day, Good Friday, Easter Monday, Easter Tuesday, Anzac Day, the Sovereign's birthday, Labour Day, Christmas Day, and Boxing Day; and
 - (b) the day observed as anniversary day in the locality in which the school is situated; and
 - (c) if 1 January falls on a Friday, the following Monday; and
 - (d) if 1 January falls on a Saturday or a Sunday, the following Monday and Tuesday; and
 - (e) if Waitangi Day or Anzac Day falls on a Saturday or a Sunday, the following Monday.
- (2) However, the Minister may specify the circumstances in which boards may open the schools they administer or any of them on Saturdays or Sundays, and if the Minister does so, the schools may open.
- (3) The Minister may, before 1 July in any year, specify days during the next year (in addition to those specified in subclause (1)) on which boards may close the schools they administer or any of them, and, if the Minister does so, schools may be closed accordingly.
- (4) If the Minister fails to specify days on which schools may be closed for any year, the days on which the schools may be closed are the days specified for the previous year.

- (5) The Minister may specify the circumstances in which boards may close the schools they administer or any of them, and, if the Minister does so, subject to clause 1, the schools may be closed accordingly.

Compare: 1989 No 80 s 65C

4 Exceptions in particular cases

- (1) The Minister may authorise a board to open any particular school it administers for fewer half-days in any year than required by clause 1(3) and, if the Minister does so, the school may be closed accordingly.
- (2) The Minister may authorise a board to open and close any particular school it administers in accordance with terms and holidays (specified by the Minister) that differ from those otherwise required by this Act to be observed, and, subject to any terms and conditions specified by the Minister when giving the authority, the school may be open and closed accordingly.

Compare: 1989 No 80 s 65D

5 Multiple timetable arrangements

- (1) The Minister may authorise a board to run a multiple timetable arrangement for a specified period at a specified school if the Minister—
- (a) is satisfied that the board has adequately consulted parents, staff, and the local community about the proposed multiple timetable arrangement; and
 - (b) considers that the proposed multiple timetable arrangement is appropriate in the circumstances.
- (2) An authorisation under subclause (1) may be given unconditionally or subject to any conditions the Minister thinks fit.
- (3) A board must take all reasonable steps to notify every affected student and a parent of the student in writing of—
- (a) a multiple timetable arrangement authorised under subclause (1); and
 - (b) the time periods for each day during which the affected student's timetable runs.

Compare: 1989 No 80 s 65DA

6 Application of provisions

- (1) The powers conferred on the Minister by clauses 1 to 6 may be exercised in respect of all schools, schools of a particular classification or description, or specified schools.
- (2) Clauses 1 to 6 have effect as if specialist schools and special services were State schools.

Compare: 1989 No 80 s 65F

7 Minister to act by means of instructions

- (1) The Minister's powers under clauses 1 to 6 may be exercised only by written instruction signed by the Minister.
- (2) However, the Minister may delegate their powers under clause 4(2) to the Secretary and, if the Minister does so,—
 - (a) the Secretary must exercise the powers in respect of individual schools only; and
 - (b) the delegation does not limit or affect the exercise of the powers by the Minister.

- (1) The Minister may, by notice in the *Gazette*, approve an alternative constitution under this clause for the board of a State school or a combined board of State schools.

 - (iii) the board (or if a board has been replaced by a commissioner, that commissioner) has requested an alternative constitution; or
 - (iv) the Minister has required the board to have an alternative constitution under clause 7(5) or 8(3); and

 - (a) for a school that is not a distance school,—
 - (i) on a date fixed by the board that is within the range of dates for those elections in that election year that is specified by the Minister by notice in the *Gazette*; or
 - (ii) if the Minister has not, by notice in the *Gazette* published on or by 31 October in any year, specified a range of dates for those elections in that election year, on a date fixed by the board that is

- within the range of dates for those elections in the previous election year; and
- (b) for a distance school, on the second Tuesday in July, unless the board, before 1 April in that year, fixes an earlier date for the election (being a date after 1 April).
 - (5) The notice referred to in subclause (4)(a) may specify different ranges of dates, for elections under subclause (3), for boards that have, and for schools that have not, adopted staggered election cycles under clause 4.
 - (6) Despite subclause (3), a board may not hold an election (or another election) under that subclause in the election year if—
 - (a) the first elections of board members for the board of a school established or integrated after the commencement of this clause are held after 30 April in the year before an election year and before 31 December in the election year; or
 - (b) elections under section 184 are held after 30 April in the year before an election year and before 31 December in the election year.

 - (10) The first elections (if any) for, and first meeting of, the board of a special institution (being a special institution that was established before the commencement of this clause but that had not had a first election or meeting before that commencement) must be held on a day or days specified by the Minister by notice in the *Gazette*.

- (4) If the board's decision under subclause (2) is made at a time when the next election due to be held is in an election year, the board must ensure that at that election the nomination forms and voting papers indicate which nominees are standing for 18 months and which are standing for 3 years.
- (5) If the board's decision under subclause (2) is made within 18 months after an election in an election year, the board must decide which of its parent representatives is to stand down at the mid-term election; and that decision must be by consensus of the parent representatives or, if consensus cannot be reached, by ballot of all the parent representatives.
- (6) A parent representative who, in accordance with subclause (5), is to stand down at a mid-term election goes out of office at the close of the day before the day on which the successor takes office following the election.
- (7) A board that has a staggered election cycle may decide to revert to holding elections only in election years. In that case, at the next election held in an election year, all the parent representatives go out of office in accordance with clause 8(7).
