

GRENADA

STATUTORY RULES AND ORDERS NO. 9 OF 1987

REGULATIONS MADE BY THE MINISTER UNDER SECTION 40 OF THE
GRENADA FISHERIES ACT 1986 (No. 15 OF 1986).

(Gazetted 5th June, 1987)

PART I

PRELIMINARY

1. Short Title. These Regulations may be cited as the

FISHERIES REGULATIONS 1987.

PART II

FISHERIES ADVISORY COMMITTEE

2. Fisheries Advisory Committee. (1) There is hereby established a Fisheries Advisory Committee.

(2) Fisheries Advisory Committee shall be composed of the following persons:

- (a) the Permanent Secretary, to the Ministry responsible for Fisheries who shall be the Chairman;
- (b) the manager, Artisanal Fisheries or its successor of organization who shall be Deputy Chairman;
- (c) the Chief Fisheries Officer, who shall be the Secretary;
- (d) at least 3 persons who shall be appointed by the Minister from among professional fishermen to represent the views of professional fishermen;
- (e) such other persons as the Minister may think fit to appoint.

(3) The quorum for conducting the business of the Fisheries Advisory Committee shall be 4 members including the Chairman and the Secretary.

(4) The Fisheries Advisory Committee may invite the head of any Government Department or his representative or such other person as it may think fit, to participate in its meeting where matters of concern to that department or person are being discussed where it considers that his presence would benefit the deliberations of the Committee.

(5) The functions of the Fisheries Advisory Committee shall be:

- (a) to advise the Minister on fisheries management and development;
- (b) to consider and advise the Minister on the plan for the management and development of fisheries in the fishery waters and on each review of the plan;
- (c) to consider and advise the Minister on any proposals for access agreements, joint venture investment in fisheries, or development projects in the fisheries sector;
- (e) to consider and advise the Minister in any initiative for the regional harmonization of fisheries regimes, including any regional licensing scheme for foreign fishing vessels;
- (f) to advise the Minister on the coordination of the policies and activities of Government departments and ministries with respect to any of the above matters;
- (g) such other functions as the Minister may from time to time assign to the Fisheries Advisory Committee.

(6) The Fisheries Advisory Committee may establish its own procedures for its meetings.

PART III

FOREIGN FISHING VESSELS

3. Applications. Every application for a foreign fishing licence shall be:

- (a) in the appropriate form, or contain the information set out, in Schedule I to these Regulations; and
- (b) addressed to the Minister in writing, or in the form of a telex or cable.

4. Licence Form. Every foreign fishing licence shall:

- (a) be in writing in the form set out in Schedule 2 to these Regulations; or
- (b) be in the form of a telex or cable containing the information set out in Schedule 2 to these Regulations.

5. Fees. (1) The fee payable for the issue of a licence in respect of a foreign fishing vessel is the amount set out for vessels of that kind in Schedule 3 to these Regulations.

(2) No foreign fishing licence shall be issued unless the Minister is satisfied that any fees payable in respect of that licence have been paid and that adequate arrangements have been made for the payment of any royalties and other charges payable under Section 14 of the Act.

"GROUNDS FOR REFUSAL OF A LICENCE

5A. No licence in respect of a foreign fishing vessel may be issued or renewed unless:

- (a) an application has been made in accordance with Regulation 4 and is true and correct in every way;
- (b) any information requested by the Minister or the Chief Fisheries Officer and relevant to the proposed fishing operation has been provided in the manner requested;
- (c) the fee prescribed under Regulation 5 has been paid."

6. General Conditions. (1) Every foreign fishing licence issued under Section 8 of the Act shall be subject to the following general conditions:

- (a) no fishing shall be undertaken in the fishery waters except as authorised by the licence;
- (b) any change in the information set out in the application form shall be notified to the Chief Fisheries Officer as soon as practicable and, in any case, not later than 7 days from the date of change;
- (c) no fish may be trans-shipped from or onto the vessel while in the fishery waters except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify; such permission shall be in writing in the appropriate form set out in Schedules II and 12 of these Regulations;
- (d) the master and each member of the crew of the vessel shall while in the fishery waters comply with any directions given to him by any authorised officer and in particular, shall on request by the officer:
 - (i) stop the vessel;
 - (ii) permit an authorised officer to board the vessel and co-operate with him in any inspection; and
 - (iii) bring the vessel into port.
- (e) The master of the vessel shall, while in the fishery waters, take all reasonable measures and precautions to avoid causing damage to any local fishing operations including non-commercial operations.

(2) Every Foreign fishing licence issued under Section 8 of the Act in respect of a foreign fishing vessel with an overall length of 60 feet or more shall be subject to the following general conditions prescribed in the preceding subregulation:

- (a) The vessel shall at all times while in the fishery waters:

- (i) fly the flag of its state; and
 - (ii) display in such a way as to be clearly visible both from the sea and from the air, in letters and numbers at least one metre high on a contrasting background,
- (A) its international radio call sign; or
 - (B) the number assigned to it on any regional register established under Section 6 (1) (f) of the Act.
- (b) The master of the vessel shall cause a logbook to be maintained on a daily basis in such form as the Chief Fisheries Officer may from time to time require for the purpose of recording the fishing operations of the vessel while within the fishery waters;
- (c) The logbook maintained under paragraph (b) shall be transmitted in its original and unaltered form to the Chief Fisheries Officer or to any other person or organization designated by him;
 - (i) not later than 45 days after the completion of the voyage to which the logbook relates; or
 - (ii) at any other times at the request of the Chief Fisheries Officer or of any authorized officer.
- (d) The master of the vessel shall cause reports in the form specified by the Chief Fisheries Officer to be made to the Chief Fisheries Officer or to such other person or organization as the Chief Fisheries Officer may designate containing the information set out in paragraph (e) at the following times:
 - (i) immediately upon into the fishery waters;
 - (ii) every Wednesday or such other day that the Chief Fisheries Officer may specify while the vessel is in the fishery waters;

- (iii) immediately upon departure from the fishery waters; and
 - (iv) such other time as the Chief Fisheries Officer may specify.
- (e) Each report made under paragraph (d) shall contain details of:
 - (i) the international radio call sign (or the number assigned to the vessel under any regional register);
 - (ii) the position of the vessel at the time of reporting;
 - (iii) the total catch by species on board the vessel at the time of reporting;
 - (iv) such other matters relating to the fishing operations as the Chief Fisheries Officer may from time to time require.
- (f) The master or owner of the vessel or his authorized local representative shall notify the Chief Fisheries Officer or such other person or organization as the Chief Fisheries Officer may designate of the estimated time of entry of the vessel into any port in Grenada at least 24 hours prior to such entry.
- (g) The master of the vessel shall, while in the fishery waters, allow any fisheries officer or other person designated in writing by the Chief Fisheries Officer to board and remain on board the vessel as an observer and shall:
 - (i) allow the observer full access to all equipment, including navigation and communication equipment records and documents and to any fish on board the vessel;
 - (ii) allow the observer to make such tests, observations and records and to take and remove

such samples as he may reasonably require in connection with the vessel's activities in the fishery waters; and

(iii) provide, without charge, food and accommodation as at least equivalent to that provided for officers of the vessel.

(h) The master of the vessel shall proceed to such port or place as the Chief Fisheries Officer may require to allow an observer to board or disembark from the vessel.

(3) Every foreign licence issued under Section 8 of the Act in respect of a foreign fishing vessel with an overall length of less than 60 feet shall be subject to the following general conditions in addition to the general conditions prescribed in subregulation 1:

(a) The vessel shall at all times while in the fishery waters display in such a way as to be clearly visible from both air and sea the registration or licence number assigned to that vessel by its country of origin or where no such registration or licence number has been assigned to it, such other marking as will adequately identify the vessel and its country of origin.

(b) The master of the vessel shall while in the fishery waters maintain such record of catches and other information in such form as the Chief Fisheries Officer may require.

(c) The master of the vessel shall provide such information on the fishery operations carried out in the fishery waters, in such form and at such times as the Chief Fisheries Officer may require.

(4) Any records, logbooks or notifications required to be maintained or made under this Regulations shall be maintained or made in English.

7. Stowage of Gear. (1) The following is the prescribed manner in which fishing gear shall be stowed for the purposes of section 9 of the Act:

- (a) the fishing gear shall be stowed in such a manner that it is not readily available for fishing;
- (b) the fishing gear shall be stowed wholly inboard the vessel;
- (c) all nets, trawlboard and weights shall be disconnected from the towing or hauling wires or ropes and all mechanical hauling devices shall be sufficiently connected as to be incapable of immediate use;
- (d) where possible the fishing gear shall be stowed below deck; any fishing gear carried on or above deck shall be secured to some part of the superstructure or hull of the vessel.

(2) For the purpose of this regulation and of section 9 of the Act, the term fishing gear include any net, line, hook, float, pole, rope, trap, boat or helicopter that may be used in the act of fishing.

(3) Where the fishing gear of a foreign fishing vessel which is prohibited by section 8 of the Act from fishing within the fishing waters is not stowed in the manner prescribed above while within the fishing waters, the master, owner and charterer of that vessel is each guilty of an offence and shall be liable on summary conviction to a fine not exceeding \$5,000.00 dollars.

PART IV

LOCAL FISHING LICENCES

8. Form of Licence and Application. Every licence in respect of a local fishing vessel and every application for such a licence shall be in writing in the appropriate form set out in Schedules 4 and 5 to these Regulations.

9. Fees. The fee payable for the issue or renewal of a licence in respect of a local fishing vessel is the amount set out in Schedule 6 to these Regulations.

10. Grounds for Refusal of a Licence. No licence in respect of a local fishing vessel may be issued or renewed unless:

- (a) an application has been made in accordance with Regulation 8 and is true and correct in every way;

- (b) any information requested by the Minister or the Chief Fisheries Officer and relevant to the proposed fishing operation has been provided in the manner requested;
- (c) the fee prescribed under Regulation 8 has been paid.

11. General Conditions. Every licence in respect of a local fishing vessel shall be subject to the following general conditions:

- (a) Any change in the information set out in the application form shall be notified to the Chief Fisheries Officer as soon as practicable and in any case on later than 7 days from the date of the change.
- (b) The vessel shall display the identification markings assigned to it by the Chief Fisheries in such manner as he may require.
- (c) The vessel shall be undertaken in the fishery waters except such as authorised by the licence.
- (d) The vessel shall comply with the law relating to safety and with such safety standards as the Chief Fisheries Officer may from time to time determine by Notice published in the *Gazette*.
- (e) No fish may be trans-shipped from or onto the vessel except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify. Such permission shall be in writing in the appropriate form as set out in Schedule 11 and 12 of these Regulations.
- (f) The master of the vessel shall, if so required by the Chief Fisheries Officer, cause a logbook to be maintained on a daily basis in such form as the Chief Fisheries Officer may from time to time require for the purpose of recording the fishing operations of the vessel.
- (g) Any logbook maintained under the preceding paragraph shall be transmitted in its original and unaltered form to the Chief Fisheries Officer at such time as he may require.

-
- (h) The master and each member of the crew of the vessel shall comply with any direction given to him by an authorised officer.
 - (i) The master and each member of the crew of the vessel shall comply with the requirements of the Act and of any regulations or other instruments made under the Act.
 - (j) If the vessel is fishing in waters other than the fishir waters, the vessel shall comply with such written law relating to fishing of any other country, if any, as may be recognised by the Government of Grenada as having force in those waters.

PART V

FISH PROCESSING ESTABLISHMENT LICENCES

12. Application. Every licence to operate a fish processing establishment shall be issued unless the Minister is satisfied that the establishment has been constructed in such a manner as to allow for its operation in accordance with any application set out by law.

13. Fees. The fee payable for the issue or renewal of a licence to operate a fish processing establishment is the amount set out for establishments of that kind in schedule 9 to these Regulations.

14. Issue of Licences. No licence to operate a fish processing establishment shall be issued unless the Minister is satisfied that the establishment has been constructed in such a manner as to allow for its operation in accordance with any application standards set out by law.

15. Licence Conditions. Every licence to operate a fish processing establishment shall be subject to the following conditions:

- (a) The establishment shall be maintained and operated in a clean and sanitary manner.
- (b) Accurate records shall be maintained relating to the operations carried out in the establishment, including records of the quantity, species and quality of fish imported, received, processed, sold or exported, and all such records shall be open to inspection by any authorised officer.

-
- (c) Returns concerning the operations of the establishment shall be made to Chief Fisheries Officer as he may from time to time require.

PART VI

FISHERY CONSERVATION MEASURES

16. Lobster. (1) In this Regulation "undersize" means:

- (a) Less than 25 centimetres in length when laid flat and measured from immediately behind the rostral horns to the near edge of the telson or a carapace length of less than 95 millimetres measured from immediately behind the rostral horns to the maximum concavity of the rear edge of the carapace as illustrated in Schedule 10 to these Regulations; or
