PULLING THE STRINGS OF CHILDHOOD

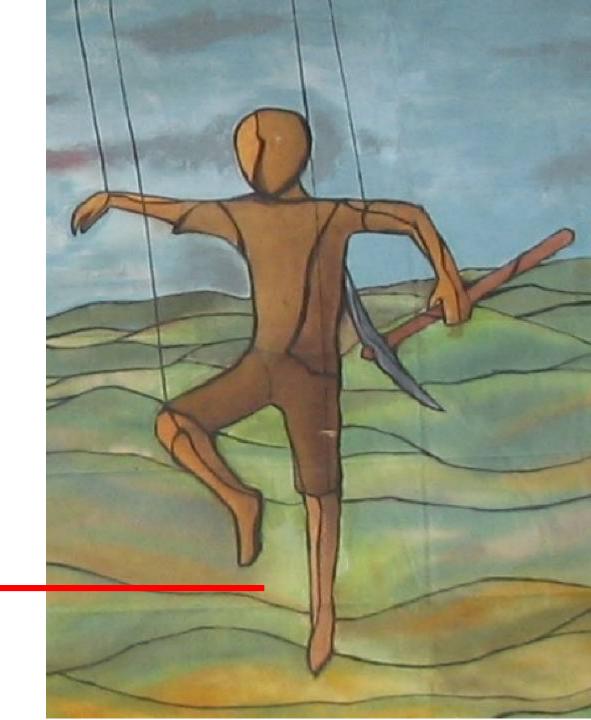

"Faceless and unfeeling figures...

...deprived of vitality...

...the exploited child...

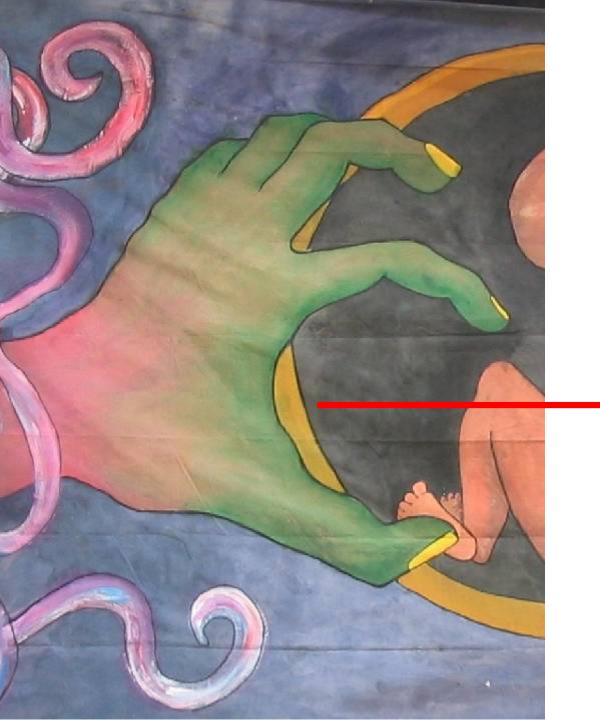

...The abandoned swing represents a negation of children's games and their stolen childhoods"

Istituto d'Arte, Florence, Italy

THE EXPLOITATION CHAIN

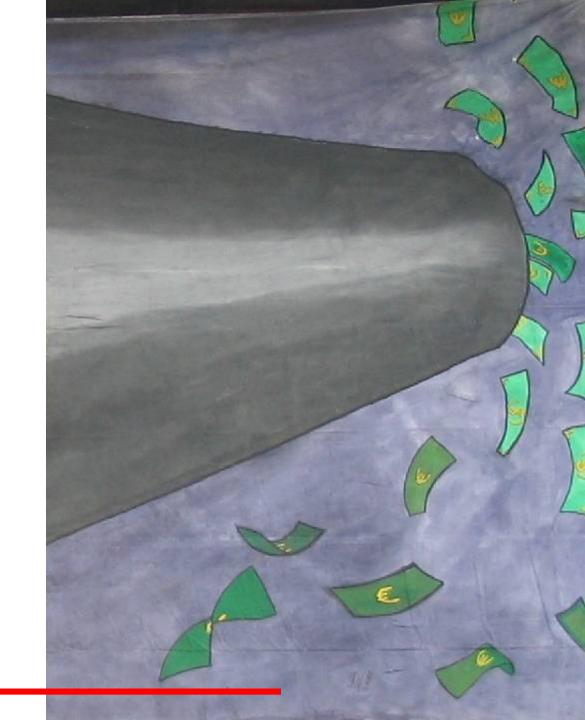

"The unborn child represents all the victims of child labour...

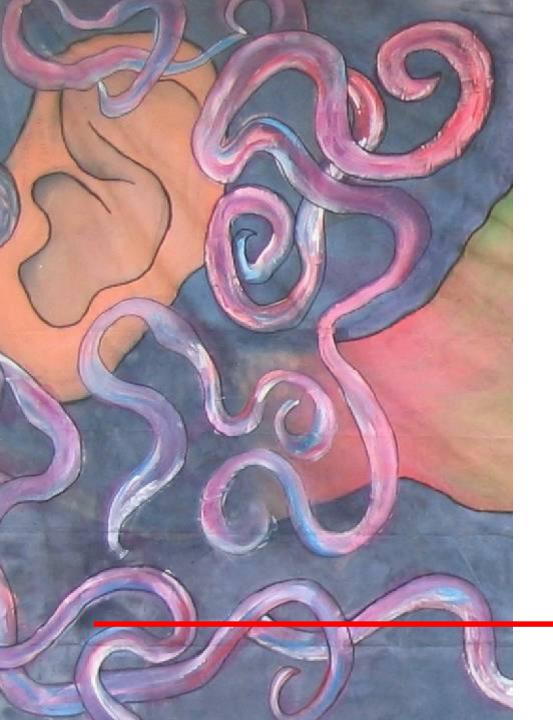

...and is shackled

by the hand of greed

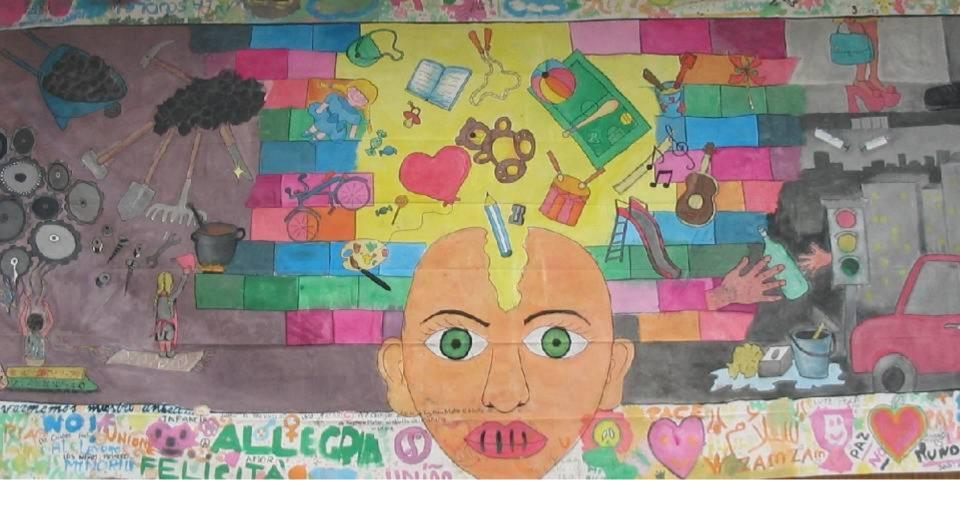

...in a dark pipe spewing money.

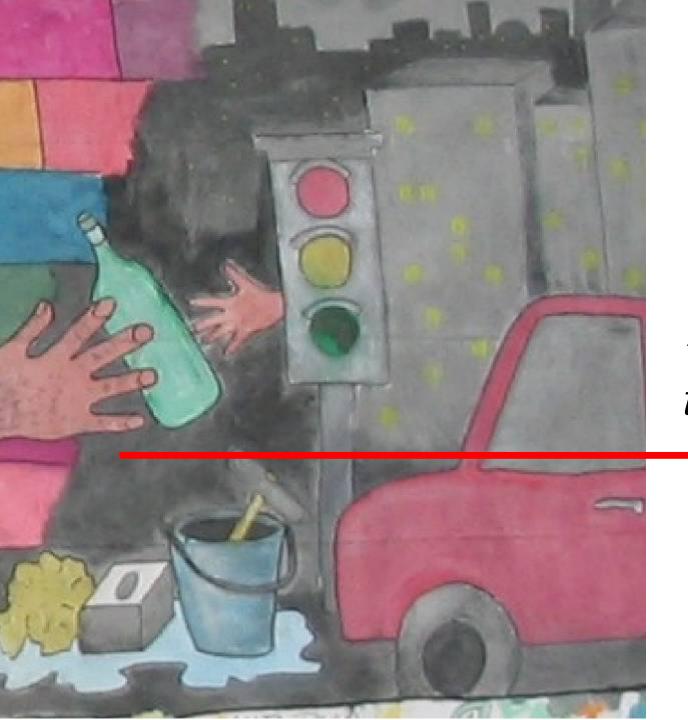

Liceo Artistico, Florence, Italy

Silence, confusion and distractions shield this outrage from view"

CHILDHOOD DREAMS THROUGH DESPAIR

"Eagerness to learn,

... and a natural desire to play...

...endure even through darkness and fear"

Children from Brazil, Sweden, Nepal and Italy at the Children's World Congress on Child Labour, Florence, May 2004
