## Audit Committee Members

The International Labour Organization (ILO), a specialized agency of the United Nations, has the mandate to promote social justice, employment and internationally recognized human and labour rights in the context of inclusive and equitable economic growth. It is the only tripartite UN agency, bringing together representatives of governments, employers and workers.

The ILO is looking to appoint three members to its audit committee, the Independent Oversight Advisory Committee (IOAC), for a three-year term commencing 1 January 2019. The IOAC assists the Governing Body and the Director-General in exercising their oversight responsibilities. All members should have experience and appropriate qualifications as a senior oversight professional, auditor or senior financial manager.

Please note that the selected members will not receive a fee for services rendered. They will, however, receive a daily subsistence allowance and be reimbursed for travel expenses incurred to attend Committee meetings. The Committee will, in principle, meet up to three times per year, normally in Geneva.

Further information on the IOAC is available at:

Please forward letters of interest accompanied by a recent curriculum vitae to [ioac@ilo.org](mailto:ioac@ilo.org) by **8 April 2018**.
