- **VIRTUAL LIBRARY**
- **PHYSICAL LIBRARY**

# **NATIONAL CENTRE CIS**

**Reception and distribution of database of CIS in the SRT.**

**Due to the fire incident, promotion of CIS and its activities were also limited.**

**There was a growth of users thanks to the positive result of its activities as well as its new presence in the web site: [www.srt.gov.ar](http://www.srt.gov.ar)**

**The organization of the Latin American Meeting Event in April 2006 is an example of CIS's committed challenge to aggressively promote itself in Argentine and in the region.**

# VIRTUAL LIBRARY

**The access to CIS via web has contributed to the growth of users.**

**The virtual site is dynamically maintained and constantly updated to keep up with the welcome demand.**

# PHYSICAL LIBRARY

**The operation and use of the Library has been enhanced by the implementation of new software. There are approximately 4000 publications of all types (including videos, cd ' s and magazines)**

**A large donation is being processed. It was received recently from the Superintendence of Labour Risks General Manager, Dr. Carlos Aníbal Rodríguez.**
