Name of Country:

Following the mapping exercise at the end of Day 1, please discuss and list 4 known risk factors in each of the 4 categories in the diagram below that create vulnerability to trafficking – and that are typical for your country.

You can draw from the list of risk factors mentioned on page 3-4 of the orange brochure '*Child trafficking: the ILO's response through IPEC*';

Then discuss and list for each of these risk factors what each of the following
