

***Preventive policy/Institutional level change***

**List measurable indicators that are**

- Specific**
- Measurable**
- Achievable (realistic)**
- Realistic**
- Timebound target (related to indicator)**

<b>Immediate Objective</b>	<b>Indicators – or specific proof of progress</b>	<b>End target</b>
Effective trafficking prevention policy put in place in relevant policy areas (such as education, migration & employment)	E.g. Amount of government financial resources made available per year to address trafficking preventively	

## ***Behaviour change in sending communities***

List measurable indicators that are

**Specific**

**Measurable**

**Achievable (realistic)**

**Realistic**

**Timebound target (related to indicator)**

<b>Immediate objective</b>	<b>Indicators – or specific proof of progress</b>	<b>End target</b>
Communities, workers organizations and employers organizations aware of risk of irregular migration and labour exploitation dimension of trafficking, and mobilized for action	E.g. Number of youth of working age who migrate well prepared and informed and with a signed labour contract;	

## ***Behaviour change at destination in cities***

List measurable indicators that are

**Specific**

**Measurable**

**Achievable (realistic)**

**Realistic**

**Timebound target (related to indicator)**

<b>Immediate objective</b>	<b>Indicators – or specific proof of progress</b>	<b>End target</b>
Society in cities, workers organizations and employers organizations aware of right of children to be free of WFCL (including migrant children from elsewhere) and right of youth of working age to work in decent conditions, and mobilized for action	E.g. Number of companies that have CSR policy against WFCL/trafficking in their company and in their supply chain;	

## ***Outreach/Direct assistance to families/youth in need***

List measurable indicators that are

**Specific**

**Measurable**

**Achievable (realistic)**

**Realistic**

**Timebound target (related to indicator)**

<b>Immediate objective</b>	<b>Indicators – or specific proof of progress</b>	<b>End target</b>
Effective prevention offered to 10,000 children at risk of trafficking in XYZ districts and documented good practices replicated in other districts	E.g. Number of school drop-outs at risk of trafficking reintegrated into school;
