

FOLLOW UP after training on labour dimensions of human trafficking, including child trafficking

To be discussed in a country basis:

A. Based on what you learnt during this training, list 5 things **you will do personally** to help address human trafficking, including child trafficking, (for labour exploitation) in your working life

1. Brief colleagues about learning points from this training workshop;
2. ..
3. ..
4. ..
5. ..

B. Based on what you learnt during this training, list 5 (new) things that **your office/department** should consider or do to address human trafficking, including child trafficking, (for labour exploitation):

1. ...
2. ...
3. ...
4. ...
5. ...

C. Based on what you learnt during this training, list 5 (new) things that the **Government of your country / that your Province Government** should consider or do to address human trafficking, including child trafficking, (for labour exploitation):

1. ...
2. ...
3. ...
4. ...
5. ...

D. Based on your learning this week and on the above listed answers, please give us 3 to 5 suggestions/recommendations on priority areas of action/intervention (e.g. labour inspection, migration policy and practice, employment alternatives...) that the ILO should pursue in the field of human trafficking, including child trafficking in the years ahead:

1. ...
2. ...
3. ...
4. ...
5. ...
