

## LIST OF LIBRARY ACCESSIONS : December 2000

Regional Office for Asia and the Pacific, Bangkok, Thailand

### INTRODUCTION

This List of Library Acquisitions is produced on a monthly basis by the ILO Regional Office for Asia and the Pacific. It consists of materials available in its collection and data base which come from different sources such as ILO, NGOs, IGOs, institutions, other United Nations agencies, commercial publishers and individual experts.

The topics covered include labour and employment issues, education and training, labour economics, labour relations, labour legislation, management development, working conditions and technological change, in Asia and the Pacific.

Copies of the ILO publications included in this list could be obtained through major bookshops or ILO offices. Request for non-ILO publications should be sent directly to the issuing institution or publisher.

ABSTRACT : The CD includes eight videos, which highlight

important domains of the ILO's work, such as international labour standards, gender issues, child labour, working conditions, and small business development. It contains graphical illustrations and summary notes explaining the basic concepts and tools of project design, monitoring and evaluation and provides you with opportunities for practicing their use through several exercises.
