

## LIST OF LIBRARY ACCESSIONS : February 2001

Regional Office for Asia and the Pacific, Bangkok, Thailand

### INTRODUCTION

This List of Library Accessions is produced on a monthly basis by the ILO Regional Office for Asia and the Pacific. It consists of materials available in its collection and data base which come from different sources such as ILO, NGOs, IGOs, institutions, other United Nations agencies, commercial publishers and individual experts.

The topics covered include labour and employment issues, education and training, labour economics, labour relations, labour legislation, management development, working conditions and technological change, in Asia and the Pacific.

Copies of the ILO publications included in this list could be obtained through major bookshops or ILO offices. Request for non-ILO publications should be sent directly to the issuing institution or publisher.

ABSTRACT : The report provides an overview of the development  
cooperation as well as humanitarian activities  
undertaken by UN agencies in Thailand, both  
jointly and individually. It describes the  
structure of collaboration among UN agencies at  
the country level. The report also provides a  
brief account of the development situation in the  
country, especially in light of the financial  
crisis that struck it in 1997 and its adverse  
economic and human development impact.
