

LIST OF LIBRARY ACCESSIONS: August 2002

INTRODUCTION

This List of Library Accessions is produced by the ILO Regional Office for Asia and the Pacific. It consists of materials available in its collection and data base which come from different sources such as ILO, NGOs, IGOs, institutions, other United Nations agencies, commercial publishers and individual experts.

The topics covered include labour and employment issues, education and training, labour economics, labour relations, labour legislation, management development, working conditions and technological change, in Asia and the Pacific.

Publications included in this list are available and could be borrowed at ILO ROAP Library.

role / Economic policy / Deregulation / Diagram /
Statistical table
ABSTRACT : Assesses the effects of foreign direct investment
(FDI) in the motor vehicle industry in two areas
of Brazil, focusing on the development of regional
institutions to support social dialogue. Examines
the flow of FDI into the Brazilian motor vehicle
industry during the late 1990s, describes the
modernization process in the industry and analyses
the productive chains set up in the two regions.
Investigates strategies adopted by government and
local agents to attract new capital and discusses
the future outlook for the two regions
