

List of Library Accessions: October 2002

INTRODUCTION

This List of Library Accessions is produced by the ILO Regional Office for Asia and the Pacific on a monthly basis. It consists of new materials available in its collection and data base which come from different sources such as ILO, NGOs, IGOs, institutions, other United Nations agencies, commercial publishers and individual experts.

The topics covered include labour and employment issues, education and training, labour economics, labour relations, labour legislation, management development, working conditions and technological change, in Asia and the Pacific.

Publications included in this list are available and could be borrowed at ILO ROAP Library.
