

# ILO Green Jobs Pilot Activities in China - Introduction

---

China Green Jobs Experience Sharing Meeting  
Beijing, 30-31 March 2009

Ms. Constance Thomas, Director, ILO Office for China and Mongolia

# Green Jobs activities in China

---

## Ongoing pilot programmes:

- China Climate Change Partnership Framework MDG-F programme (May 2008 – December 2010)
  - ILO-MOHRSS outputs contribute to two Joint Programme outcomes
- ILO RBSA Green Jobs Initiative pilot activities (August 2008 – December 2009)
  - Implementation in China, India and Bangladesh
  - In China research and pilot activities with MOHRSS ongoing; enterprise pilots with CEC under preparation

# Green Jobs activities in China

---

## Programme areas:

- Research, analysis and policy recommendations
  - Research project with Research Center for Urban Development and Environment at CASS
  - Research project with China Academy of Labour and Social Security at MOHRSS
- Enterprise development and jobs creation pilots
  - Green Business Options (GBO) training sub-modules for Generate Your Business training programmes (GYB)
  - New CSR project on sustaining competitive and responsible enterprises to support enterprises in green transition
  - Green jobs focus integrated into post-disaster E-SIYB trainings in Sichuan
- International and national experience sharing

## RCUDE/CASS Research: Low Carbon Development and Employment – Empirical Analysis in China (CCPF)

---

- Analysis of relationship between low carbon development and employment promotion in China;
- Estimation of number of jobs created and lost in selected industries, incl. projection for future trends.

## CALSS Research: Green Jobs in China (ILO RBSA)

- Focus on employment promotion and facilitating smooth transitions to Green Jobs
- Field survey on employment, skills profiles and social security in Green and Brown industries; value chain analysis case studies in selected industries; policy review

## Green Business Options (GBO) pilot (CCPF and ILO RBSA)

---

- Development of GBO training sub-module for Generate Your Business (GYB) training programmes
- GBO trainings will be piloted at 20 selected training institutions in 2009; implementation through existing GYB and SIYB networks
- Green jobs focus already integrated into post-disaster E-SIYB trainings in Sichuan

## Enterprise pilots on fair and just transition (ILO RBSA)

- Coordination with ILO/UNIDO on new CSR project on sustaining competitive and responsible enterprises (SCORE)
- Upgrading of production processes to reduce GHG emissions
- Development/Adaptation of training materials from SCORE

## International and national experience sharing (ILO RBSA)

---

- Green Jobs Consultation and Briefing Meeting, January 20-21
  - First inter-agency consultation meeting on Green Jobs in China
- Green Jobs training in ILO Turin training center, 9-13 February
  - Tripartite delegations participate from six countries including China, India and Bangladesh
- China Green Jobs Experience Sharing Meeting, March 30-31
  - Sharing international best practices and national experiences
- National Experience Sharing meeting, November 2009
  - Reflection on pilot activities conducted in 2009

## Planning ahead 2009

---

- Limited funds available under the Green Jobs Initiative for programming additional activities with social partners and other partners.
- Tight implementation schedule:
  - All activities under ILO RBSA must be implemented before end of 2009.
  - Minimum 70% CCPF funds for second implementation year need to be committed by December 2009 to receive funding for third year 2010.
- Project proposal will be developed in the end of 2009 to seek funding for follow-up project on Green Jobs in China.
