

INVITATION FOR EXPRESSION OF INTEREST (IEOI) IEOI 53-2009

DESCRIPTION:

The ILO Project "Nias Islands Rural Access and Capacity Building" (INS/09/02/IDA) with funding from the Multi Donor Trust Fund for Aceh and North Sumatra supports district Governments in Nias, and Nias Selatan in the improvement of rural infrastructure, including the construction of suspension bridges.

In the construction of the suspension bridges, the project will need to procure galvanized steels and pre-stretched wire ropes for delivery to locations in Nias Islands during 2010-2011. The technical specifications of these goods are shown in Attachment 1

The specific quantity for each delivery destination will be determined every six-months.

The ILO Office for Indonesia and Timor-Leste based in Jakarta wishes to invite interested suppliers to submit an expression of interest to manufacture the galvanized steels and pre-stretched wired ropes as per the technical specifications shown in Attachment 1 of this IEOI and available for view at <http://www.ilo.org/public/english/region/asro/jakarta/about/job.htm>.

CLOSING DATE FOR SUBMISSION OF EOI:

20 November 2009

POSTING DATE:

26 October 2009

REFERENCE:

EOI No. 53-2009

A. BACKGROUND

1. International Labour Organization (ILO)

The International Labour Organization (ILO) is the tripartite UN agency that brings together governments, employers and workers of its member states in common action to promote decent work throughout the world. Further information may be found at www.ilo.org

B. PROCUREMENT OF GALVANIZED STEELS AND PRESTRETCHED WIRED ROPES

1. Objective

ILO Office for Indonesia and Timor-Leste based in Jakarta, Indonesia, seeks to identify and pre-qualify a "pool" of qualified manufactures to provide galvanized steels and pre-stretched wire ropes for the construction of suspension bridges in Nias Islands during 2010-2011.

For detailed specifications please see Attachment 1: Technical Specifications of Galvanized Steels and Pre-stretched Wire Ropes

This procurement of these goods is in relation to the works to be performed under the ILO technical cooperation project “Nias Islands Rural Access and Capacity Building” (INS/09/02/IDA) which is financed by the Multi Donor Trust Fund for Aceh and North Sumatra

Interested manufactures are requested to indicate in the attached form, the types of galvanized steels and pre-stretched wire ropes they can provide.

2. Participants

Prospective local suppliers who are legally registered in Indonesia are invited to participate in this Invitation for Expression of Interest (IEOI). Preferences will be given to suppliers that have a manufacturing site in Medan.

3. Evaluation and Eligibility

ILO seeks to compile a pre-qualified shortlist of suppliers with demonstrable technical and financial capabilities who will be invited to participate in the bidding process for future tenders to provide construction materials and goods to ILO Project “Nias Islands Rural Access Capacity Building Project” (INS/09/02/IDA).

The main evaluation (short listing) criteria are as follows:

Description	Benchmark
Years in existence	minimum 5 years
Relevant past experience	minimum 2 year in supplying of galvanized steels and pre-stretched wired ropes in Indonesia and minimum 1 year in supplying galvanized steels and pre-stretched wired ropes to Ache and Nias to any UN agencies, international organizations operating in Ache and Nias, and/or local governments and its road contractors.
Company structure and organization/equipment	Provide company profile with organigram, type of staff, list of equipment and construction materials company supplies and any other relevant information.
Financial Status	Provide records of annual turnover for 2007 and 2008; provide value of 4 contracts undertaken in the last 2 years.

4. Process

Once the submission date of the EOI has passed, ILO will evaluate all submitted responses, and only successful participants will be notified by email of the outcome of the evaluation.

On the basis of the EOI evaluation, qualified Contractors will be short-listed and invited to participate in future ILO tenders.

C. SUBMISSION OF EOI

All documents should be presented in the English language and presented in an orderly manner as per the guidelines below.

Incomplete submissions will not be considered.

1. Materials to be submitted

- (i) a completed EOI Form (Annex 1)
- (ii) past experience form – (Annex 2)

In addition – although such materials will not be evaluated - the IEOI Participant may submit any standard brochures/materials which it makes publicly available.

2. Closing date of submission and Contact Details

The EOI and any supplementary documentation must be received by ILO no later than 5:00pm Jakarta time on 20 November 2009. Materials should be submitted by e-mail to jakarta@ilo.org with copy to maryanti@ilo.org and, by hand (in a sealed envelope) or postal/courier service with a tracking number to the designated contact person below. Please indicate **Ref: EOI No. 53-2009** on all communications. All submissions will receive a receipt confirmation via email.

Contact Details of Designated ILO Contact Person:

ILO Office for Indonesia and Timor-Leste
Address: 22nd Floor, Menara Thamrin, Jl Thamrin, Jakarta Pusat, Indonesia
Attn: Ms Mariyanti Dewi
E-mail: maryanti@ilo.org

It is requested that all communication with ILO, including questions, is in writing and addressed by email to the designated contact person. ILO will seek to clarify all procedural questions.

4. Further information

This IEOI does not constitute a solicitation. ILO reserves the right to change or cancel this procurement process or any of its requirements at any time during the process; such actions by ILO will either be posted publicly or directly communicated to all participants, as appropriate. Invitations to participate in Tenders and any subsequent contract will be issued in accordance with the rules and procedures of ILO.

Annex 1: EOI Form

**CONTRACTOR FIRM REGISTRATION
APPLICATION FORM**

1 FIRM'S DETAILS

Item	Details		
Legal Name of Firm/Organization and place of Registration:			
Firm/Organization Business Registration:	Registration No.	Date of Registration	Remark
			<i>Please attach scanned copy of registration certificate. Failure will result in the application be rejected.</i>
Address Details	Address:		
	Tel Number:		
	Fax Number:		
	E-mail:		
Type of Business	Corporate/Limited	Partnership	Other (specify)

2 FIRM'S BACKGROUND

In not more than hundred (100) words give the Firm's Background

The Firm

--

3 CONTACT DETAILS:

3.1 Main Contact Person:

Name:		Telephone No.:	
Position:		Mobile No.:	
Email Address:		Fax No.:	

3.2 Alternative Contact Person:

Name:		Telephone No.:	
Position:		Mobile No.:	
Email Address:		Fax No.:	

4 FINANCIAL STATUS

Provide details of the Company's Financial Status

Item	Value \$US
Estimated Gross Turn Over (2008)	
Gross Turn Over (2007)	
Maximum ceiling of contract value which your Company can work:	
USD 0 – 30,000	
USD 30,000 – 100,000	
USD 100,000 – 500,000	
USD above USD 500,000	
Maximum "Bank Guarantee" amount available to the Company from Bankers	

Annex 2: Past Experience

PAST EXPERIENCE

List of at least 4 contracts in the last 2 years relevant to supply of [indicate appropriate type of goods].

Starting (Month / Year)	Completed (Month / Year)	Type of Contract	Total Value (USD \$)	Client

Provide CVs of senior staff (no more than three)

- Attach extra sheets if required.
- Form can be sent via email to jakarta@ilo.org with copy to maryanti@ilo.org or,
- By hand to Ms Mariyanti Dewi at ILO Office for Indonesia and Timor-Leste, 22nd Floor, Menara Thamrin Building, Jakarta.

EOI 53-2009

Technical Specifications: Galvanized Steels and Pre-stretched Wire Ropes

Description of works and goods:

Galvanized Steels:

Manufacturing of galvanized steels and bridge elements, using hot-dip galvanizing methods, to produce steel parts for use in the construction of suspension and suspended bridges in Nias. A standard specification of the galvanized steel parts will be determined later. The bridge elements should be of a minimum 3.10 m x 100 m.

Pre-stretched Wire Ropes:

Steel wire ropes should comply with all the requirements for :

- IS 1835 – 1977 Steel Wire Ropes
- IS 6594 – 1977 Technical Supply Conditions for Wire Ropes and Strands
- IS 9282 – 1979 Specification Wire Ropes and Strands for Suspension Bridges
- IS 9182 – 1979 Specification for Lubrications for Wire Strands and Ropes

In addition to above IS specifications the following should also be satisfied.

Lubrication :

Lubrication should be non-drying and non-bituminous type confirming to IS: 9182-1979. It should withstand storing at open atmosphere in touch with the ground and in inundation condition for a long duration and should prevent any kind of rust. Lubrication must be applied during manufacturing of the strands as well as during manufacturing of the rope. Lubrication should withstand temperature up to 75°C (Drop Point).

Pre-stretching :

Pre-stretching should be done by cyclic loading of the rope to 10% to 40% of the Minimum Breaking Load. Pre-stretching should be performed in the following method :

- | | |
|-----------------------|--|
| 1 st cycle | - stretching with loading of 5% of Minimum Breaking Load. |
| 2 nd cycle | - with loading of 10% of Minimum Breaking Load at least 5 cycle. |
| 3 rd cycle | - with loading of 20% of Minimum Breaking Load till elongation stabilizes. |
| 4 th cycle | - with loading of 40% of minimum Breaking Load till elongation stabilizes. |
| Checking | - check if the elongation is stabilizes at 35% of Minimum Breaking load. |
