AFG000 - Afghanistan		
AFG100 - More decent and productive employment opportunities are created for all, especially for women, persons with disabilities, youth, demobilized soldiers and returnees.		
	AFG101 - National labour laws are brought in line with the ILO Declaration on Fundamental Principles and Rights at Work	110025 - Improved implementation of fundamental principles and rights at work
	110025.10 - Constituents use tools and other practical measures to implement fundamental principles and rights at work	
	110025.30 - Tripartite constituents are more capable of promoting freedom of association and collective bargaining; social partners have greater capacity to organize the unorganized.	
	110050.10 - Member States make progress in applying Convention Nos. 138 and 182 through at least two interventions associated with the time-bound programme approach, including legal change, data collection, time-bound targets, child labour monitoring systems and mainstreaming of child labour in relevant development policies	
	130025.30 - Member States ratify or make progress in implementation of the key provisions of the main gender equality Conventions.	
	130025.40 - Employers' and workers' organizations make observations on the application of standards	
	130025.50 - The Office processes supervisory reports which are received on time	
	AFG102 - Afghan men and women have improved and equal access to decent employment through the implementation of ILO products and tools	220050 - Skills and employability policies and programmes for decent work
	220025.10 - Countries improve labour market information and analysis and formulating, implementing and evaluating employment and labour market policies, with special attention to employment and income security and equal access to decent and productive employment for all women and men	
	220050.20 - Member States develop more effective, gender-sensitive skills and employability policies, programmes and strategies at the national, local and regional levels. Will monitor the number of member States that adopt improved human resources development policies and programmes through departmental advisory services and technical cooperation programmes.	
	230025.10 - Governments, employers' and workers' organizations use ILO tools to improve the policy and regulatory environment for enterprises, and promote an enterprise culture that supports the creation of decent jobs. This measures the extent to which governments and the social	

		partners have made significant use of ILO tools and advice in the policy, regulatory and enterprise culture area.	
		230050.20 - Member States adopt infrastructure and construction programmes demonstrating the technical and operational feasibility and the economic and social advantages of combining job creation with decent working conditions.	
		AFG103 - More men and women have better knowledge of labour and social protection	320025 - Improved labour protection within the formal and informal economy
		310025.40 - Member States test innovative approaches to integrate social protection with local development and income-generating activities in order to reduce poverty, gender inequality and social exclusion.	
		320025.10 - Member States increase their knowledge base of key principles and rules embodied in specific Conventions and Recommendations on conditions of work and employment and improve national safety and health systems.	
		320050.10 - Member States establish policies and programmes for the protection of the rights and equal treatment of migrant workers, and against their trafficking.	
		320075.30 - HIV/AIDS policies and programmes are implemented at the workplace.	
		AFG104 - The tripartite constituents have better capacity to facilitate achievements of Outcomes 1, 2 and 3.	410025 - Employers' and workers' organizations are more valuable to their membership and to potential members
		410025.10 - Employers' organizations provide new or better services relevant to their members and potential members, including services which meet the needs of small and medium-sized enterprises and women entrepreneurs.	
		410025.20 - Workers' organizations provide new/better services, such as elimination of child labour, participation in PRSPs and other development coordination mechanisms, informal economy, social security and occupational health and safety, labour standards and workers' rights, promoting women's participation in trade unions, particularly at decision-making levels, and taking practical initiatives to extend representation.	
		420050.10 - Member States modernize their ministries responsible for labour, upgrade the skills of officials, strengthen their capacity on gender mainstreaming and improve representation of women, particularly at decision-making levels.	
		AFG900 - Other Areas of Work
