Country Programme / CP Priority / CP Outcome / Indicator Link		Operational Outcome Link
NPL000 - Nepal		
NPL100 - More and Better Jobs for Women, Youth and Socially Excluded Groups (Dalits and Ethnic Minorities)		
	NPL103 - Enhanced institutional capacity for increasing the employability and entrepreneurship of target groups and for the promotion of labour-intensive investment in infrastructure construction/maintenance.	220050 - Skills and employability policies and programmes for decent work
	220050.20 - Member States develop more effective, gender-sensitive skills and employability policies, programmes and strategies at the national, local and regional levels. Will monitor the number of member States that adopt improved human resources development policies and programmes through departmental advisory services and technical cooperation programmes.	
	230025.20 - Constituents and public and private support agencies newly apply or extend current use of ILO tools and approaches to provide effective business development services, credit and other financial services, particularly for small businesses and cooperatives, to create decent jobs.	
	230050.10 - Member States show an increasing share of public and private investments that go to employment-intensive investment programmes in infrastructure and construction. Monitoring will cover countries where the ILO supports major investment activities.	
NPL200 - Progressive Reduction of Child Bonded Labour and Increased Awareness against Trafficking in Children		
	NPL201 - Constituents and civil society have mainstreamed the issues of child bonded labour and children in trafficking, and replicated successful models/good practices in their development programmes and action plans	110050 - Targeted action against child labour
	110025.60 - National authorities adopt and implement national plans to combat forced labour or trafficking	
	110050.10 - Member States make progress in applying Convention Nos. 138 and 182 through at least two interventions associated with the time-bound programme approach, including legal change, data collection, time-bound targets, child labour monitoring systems and mainstreaming of child labour in relevant development policies	
NPL225 - Strengthened Capacity of Social Partners to Effectively Engage in Social and Economic Policies Formulation and Legal Review		
	NPL226 - Concerns of workers' and employers' organisations reflected in social and economic development agenda through social dialogue and policy advocacy	420050 - Improving governance
	420050.20 - Member States use social dialogue more widely as a tool of workplace, labour market and national economic and social governance, and make measurable progress at increasing the representation of women in social dialogue institutions.	

		420050.30 - Member States take steps to adopt legislation based on ILO standards and advice, including on gender issues, with the involvement of the social partners.	
		420050.50 - Member States ratify or take practical steps to apply ILO Conventions on social dialogue and labour administration (focus on Conventions Nos. 144, 150 and 154).	
		NPL900 - Other Areas of Work	
		NPL901 - Youth Employment Policy Framework Developed	220075 - Youth employment
		220075.10 - Member States develop national action plans and implement operational programmes promoting youth employment that reflect core elements of the Global Employment Agenda and the Employment Policy Convention (No. 122).	
		NPL902 - Strengthened Social Partners for Better Services to their Affiliates and Extended Representation	410025 - Employers' and workers' organizations are more valuable to their membership and to potential members
		410025.10 - Employers' organizations provide new or better services relevant to their members and potential members, including services which meet the needs of small and medium-sized enterprises and women entrepreneurs.	
		410025.20 - Workers' organizations provide new/better services, such as elimination of child labour, participation in PRSPs and other development coordination mechanisms, informal economy, social security and occupational health and safety, labour standards and workers' rights, promoting women's participation in trade unions, particularly at decision-making levels, and taking practical initiatives to extend representation.	
		410050.10 - Employers' organizations influence policies at the national, regional or international level to improve enterprise performance and competitiveness.
