[Statistics on the employment situation of people with disabilities: a compendium of national methodologies](#)

Geneva: 2004, 97 p.

Based on a survey conducted by the ILO in 2002. Describes the methodologies used in 95 countries to compile statistics on the employment situation of persons with disabilities.

[Sindicatos y discapacidad: promover el trabajo decente y combatir la discriminación](#)

Educación Obrera, 2004/4, Número 137,

Ginebra: 2004, 47 p.

Cómo ayudar a las personas discapacitadas a encontrar un empleo: guía práctica

Heron, Robert y Murray, Barbara

Montevideo: 2003, 49 p.

Intended for vocational guidance and placement personnel in governmental and non-governmental employment services, provides general advice on helping job-seekers with disabilities.

La vinculación laboral de las personas discapacitadas que buscan empleo: elementos para un servicio efectivo

Murray, Barbara y Heron, Robert

Montevideo: 2003, 97 p.

Briefly reviews recent international trends in the promotion of employment opportunities for people with disabilities and sets out a policy and legislative framework and the key components of an effective placement service. Looks at the monitoring and evaluation of placement services and considers the building of external alliances.

Disability and poverty reduction strategies: how to ensure that access of persons with disabilities to decent and productive work is part of the PRSP process

Geneva: 2002, 23 p.

Presents the conceptual background explaining how persons with disabilities should be included in the Poverty Reduction Strategy Paper (PRSP) approach to poverty reduction in low-income countries.

Gestión de las discapacidades en el lugar de trabajo : repertorio de recomendaciones prácticas de la OIT

Ginebra: 2002, 50 p.

Mental health and work: impact, issues, and good practices

Harnois, Gaston and Gabriel, Phyllis

Geneva: 2000, 66 p.

Two large United Nations agencies involved in rehabilitation, namely the ILO and WHO, address the importance of work for people with mental health problems, roles of vocational strategies and the workplace, and of vocational rehabilitation agencies and professionals.

Employment quotas, levies and national rehabilitation funds for persons with disabilities: pointer for policy and practice

Thornton, Patricia

Geneva: 1998, 105 p.

Discusses the history, and advantages and disadvantages of quota-levy systems, levy redistribution policies and national rehabilitation funds. Draws on responses to a questionnaire from six countries which have established quota-

levy systems and have had experience with rehabilitation funds.
