

Virtual Training on Labour Market Contingency Plan (LMCP) and Post-Disaster Needs Assessment (PDNA)

21-25 June 2021 | 9.30 - 11.30 am

#ResilientWithDecentWork

▶ BACKGROUND & OBJECTIVES

Lessons learned post 2017 natural disasters in the Eastern Caribbean, is that ILO constituents did not have the necessary tools to mainstream decent work in the national recovery process, nor to run, or actively participate in PDNAs. Interventions from the ILO after the crises demonstrated an urgent need to support capacity strengthening and institutional reform to fully achieve resilience goals.

The lack of a LMCP leaves important gaps in overall recovery endeavours. The promotion of decent work - through strong labour market institutions and social partners - is a key instrument for building resilient societies.

The training - conducted by Ms Asha Kambon, ILO Consultant, who has been supporting the ILO in the implementation of the activities related to LMCP and PDNAs - is aimed at reinforcing the capacities of ILO constituents and key stakeholders on:

- ▶ understanding and using ILO developed templates for preparing an integrated LMCP in each country; and
- ▶ understanding PDNAs and how to conduct them, with particular emphasis on the Employment, Livelihoods and Social Protection Sector (ELSP) component.

TARGET: ILO tripartite constituents and key stakeholders from Dominica, Guyana and Saint Lucia. Participants nominated by their respective institutions will receive a link to register for the training.

PROGRAMME OVERVIEW

21 June	22 June	23 June	24 June	25 June
<ul style="list-style-type: none"> ▶ Welcome & participants' introduction ▶ Introduction to LMCP & PDNA 	<ul style="list-style-type: none"> ▶ LMCP template: structure & sources of information 	<ul style="list-style-type: none"> ▶ Completion of the LMCP 	<ul style="list-style-type: none"> ▶ PDNA & recovery planning for Employment, Livelihoods & Social Protection (ELSP) 	<ul style="list-style-type: none"> ▶ Guidance to conduct PDNA - ELSP ▶ Closing
