Mr. Hoang Manh Hien, Vice Chairman, of Hanoi People’s Committee,

Ladies and gentlemen,

It is a great honour for me to be present here for this historic inauguration of the “Decent Work and Tripartism” Ceramic Road. I would like to take this opportunity to express my sincere appreciation to our tripartite constituents for your creative and engaged hard work in designing the “Decent Work and Tripartism” ceramic mosaic mural. It is indeed the partnership between us and you that will ensure sustainable impact of our collaboration. I thank you for the trust and support you show the ILO here in Viet Nam.

Your creative design reflects all types of work places in Viet Nam; it puts the people and their work in the centre; it emphasizes the strength of tripartite collaboration. This mural – I hope – will symbolize for generations to come the importance of Tripartism and Decent Work for All in Viet Nam. May it be an inspiration for the continued tripartite unity in social and economic development for the next 1000 years.

On behalf of the ILO and together with MOLISA, VGCL, VCCI and VCA it is an honor for me to offer to the Hanoi Peoples’ Committee our contribution to the celebration of the 1000th anniversary of Thang Long-Hanoi.

Thank you and I wish you all good health and success.
