Publisher: ILO and UN Women

Protecting the rights of domestic workers in Malaysia during the COVID-19 pandemic and beyond

This note explores the impact of the COVID-19 pandemic on domestic workers in Malaysia. It highlights the requirements of migrant domestic workers in light

Employer organizations in the governance of TVET and skills systems

Skills and TVET systems exist at the nexus of several key social and economic policy areas, made significantly more complex when coupled with the rapid pace of change in labour market at a time of major technological innovations and urgent social and environmental challenges.

Assessment of occupational safety and health hazards exposure of workers in small-scale gold mining in the Philippines

The study examined the practices in the small-scale gold mining (SSGM) industry in the Philippines, particularly

the working conditions of miners and workers during gold extraction and processing. It evaluated the miners' and workers' exposure to various occupational safety and health (OSH) hazards and recommended appropriate control measures for their maximum protection.

Caring gold mining project: Comprehensive monitoring and evaluation plan (CMEP) end-of project data analysis

The purpose of this analysis is to compare what was planned for in the CMEP with what was achieved and what could have been done differently to serve as a learning for other Projects. This was a requirement from U.S. Department of Labor/Office of Child Labor, Forced Labor and Human Trafficking (USDOL/OCFT) as part of tools for project implementation.

COVID-19 impact on child labour and forced labour: The response of the IPEC+ flagship programme

Based on an analysis of the most evident effects of COVID-19 on child labour and forced labour, the briefing note presents six urgent interventions aimed to reach around 1 million vulnerable children, communities and families in ten countries.

ILO violence and harassment Convention No. 190 and Recommendation No. 206

This policy brief is primarily directed to workers and their organizations. Its main purpose is to promote the understanding of the new ILS and to raise awareness on the importance of promoting the ratification of Convention No. 190. Once Convention No. 190 is ratified both instruments will have to be effectively implemented in law and practice.
