

List of Proposed Sustainable Development Goals to be attained by 2030

- 1. End poverty in all its forms everywhere**
- 2. End hunger, achieve food security and adequate nutrition for all, and promote sustainable agriculture**
- 3. Attain healthy life for all at all ages**
- 4. Provide equitable and inclusive quality education and life-long learning opportunities for all**
- 5. Attain gender equality, empower women and girls everywhere**
- 6. Secure water and sanitation for all for a sustainable world**
- 7. Ensure access to affordable, sustainable, and reliable modern energy services for all**
- 8. Promote strong, inclusive and sustainable economic growth and decent work for all**
- 9. Promote sustainable industrialization**
- 10.Reduce inequality within and among countries**
- 11.Build inclusive, safe and sustainable cities and human settlements**
- 12.Promote sustainable consumption and production patterns**
- 13.Promote actions at all levels to address climate change**
- 14.Attain conservation and sustainable use of marine resources, oceans and seas**
- 15.Protect and restore terrestrial ecosystems and halt all biodiversity loss**
- 16.Achieve peaceful and inclusive societies, rule of law, effective and capable institutions**
- 17.Strengthen and enhance the means of implementation and global partnership for sustainable development**

Proposed goal 1. End poverty in all its forms everywhere

- 1.1 by 2030, eradicate extreme poverty by bringing the number of people living on less than \$1.25 a day to zero
- 1.2 reduce by at least x% the proportion of people living below national poverty lines by 2030
- 1.3 by 2030, fully implement nationally appropriate social protection measures including floors, with a focus on coverage of the poor, the most marginalized and people in vulnerable situations
- 1.4 by 2030 achieve equal access to productive employment and decent work for all, including the poor, persons with disabilities, and other people in vulnerable situations as well as women and young people
- 1.5 by 2030 ensure development opportunities for all men and women, including secure rights to own land, property and other productive resources, and access to financial services, with particular focus on the poor, the most marginalized and people in vulnerable situations
- 1.6 by 2030 strengthen early warning and disaster risk reduction systems and related capacities with the aim of building resilience and protecting the poor and those in vulnerable situations from disasters and shocks, including climate-related extreme events
- 1.7 pursue sustained and inclusive economic growth as a key enabler for achieving poverty eradication
- 1.8 integrate biodiversity conservation measures into national and local development strategies, planning processes and poverty reduction strategies

MEANS OF IMPLEMENTATION:

- 17.1 develop and implement effective and targeted capacity building programmes in developing countries in support of national plans for implementing sustainable development goals
- 17.2 realize timely implementation of duty-free quota-free market access, on a lasting basis for all least developed countries in accordance with WTO decisions and the Istanbul Programme of Action
- 17.3 developed countries implement fully ODA commitments to provide 0.7% of GNI in ODA to developing countries of which 0.15-0.20% to least-developed countries on an agreed timeline based on internationally agreed principles
- 17.4 direct ODA and encourage financial flows to states where the need is greatest, in particular African countries, LDCs, SIDS, LLDCs, and vulnerable states

- 17.5 ensure that adequate policy space is given to developing countries by the international organizations to enable developing countries to establish and implement their policies for poverty eradication and sustainable development
- 17.6 support broad-based multi-stakeholder partnerships, including with civil society, the private sector, and multiple levels of government, that mobilize knowledge, expertise, technologies and financial resources to support achievement of sustainable development goals, particularly in developing countries

Proposed goal 8. Promote strong, inclusive and sustainable economic growth and decent work for all

- 8.1 sustain per capita economic growth of at least x% per annum (with x being set at a level appropriate to national circumstances)
- 8.2 sustain income growth of the bottom 40% of the income distribution of each country of at least y (greater than x)% to reduce income inequalities by 2030
- 8.3 by 2030 achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities
- 8.4 by 2020 halve the number of youth not in employment, education or training
- 8.5 create a sound macroeconomic environment with strong fiscal and monetary policies
- 8.6 create an enabling environment for business with strong national economic institutions and policies that support investment and promote competition
- 8.7 create incentives for the development of sustainable tourism which takes into account community participation, local culture and local products
- 8.8 create enabling conditions for increased growth and productivity of micro-, small- and medium-scale enterprises (SMEs), including through policies that promote entrepreneurship, creativity and innovation, and through improved access to markets and financial services
- 8.9 increase the share of high productivity sectors and activities in the economy, and strengthen productive capacities through technological upgrading, greater value addition and product diversification, with a particular focus on LDCs
- 8.10 promote greater resource efficiency of economic activities, including through sustainable supply chains, according to national circumstances and capacities
- 8.11 support the development of quality, reliable, sustainable and resilient infrastructure for transport, energy, water and communications, in particular in developing countries with a focus on access for the rural and urban poor

- 8.12 improve regional and trans-border infrastructure to promote effective regional economic integration and facilitate trade
- 8.13 end child labour by 2030, protect the rights and ensure safe and secure working environments of all workers, including migrant workers and those in precarious employment
- 8.14 promote formalization of informal sector activities and employment
- 8.15 by 2030 lower the overall costs in migration processes and minimize transaction costs of remittances
- 8.16 explore the possibility of a broader system of capital accounting looking beyond GDP and incorporating social, human and environmental capital

MEANS OF IMPLEMENTATION

- 17.7 enhance global macroeconomic policy coordination and increase policy coherence in support of sustainable development
- 17.8 promote an open, rules-based, non-discriminatory and equitable multilateral trading system, including complying with the mandate for agriculture, services and non-agricultural products of the World Trade Organisation Doha Round and implementing the outcomes of the World Trade Organisation Bali Declaration
- 17.9 ensure a speedy conclusion of an ambitious, balanced, comprehensive and development-oriented outcome of the Doha Development Agenda of multilateral trade negotiations
- 17.10 improve market access for agricultural, fisheries and industrial exports of developing countries in particular African countries, Least Developed Countries, LLDCs and SIDS with a view to increasing their share of exports in global markets
- 17.11 increase trade-related capacity-building assistance to developing countries, including support for building their capacity to meet product regulations and standards, and enhance Aid for Trade initiatives including through the “Enhanced Integrated Framework”
- 17.12 promote regional and international collaboration on and access to science, technology, innovation, research and knowledge sharing, including through North-South, South-South and triangular cooperation
- 17.13 mobilize additional international financial resources for development from multiple sources

- 17.14 strengthen domestic resource mobilization of developing countries, providing international support to improving tax collection, tax and natural resource revenue transparency
- 17.15 facilitate investments in developing countries in infrastructure such as roads, railways, ports, water supply and treatment, and ICT
- 17.16 by 2030 countries progressively introduce broader measures of progress beyond GDP into national accounting, with supportive statistical capacity building in developing countries

Proposed goal 10. Reduce inequality within and among countries

Reduce inequality among social groups within countries:

- 10.1 by 2030 eliminate discriminatory laws, policies and practices
- 10.2 achieve and sustain income growth of the bottom 40% of the population that is higher than the national average through 2030
- 10.3 by 2030 reduce inequalities of opportunity and outcome among social groups, including economic, social, and environmental inequalities
- 10.4 work towards reversing the decline of the share of labour income in GDP where relevant
- 10.5 empower and promote the social and economic inclusion of the poor, the marginalized and people in vulnerable situations, including indigenous peoples, women, minorities, migrants, persons with disabilities, older persons, children and youth
- 10.6 promote and respect cultural diversity
- 10.7 ensure the availability of high-quality, timely and disaggregated data to ensure monitoring of progress for marginalized groups and people in vulnerable situations

MEANS OF IMPLEMENTATION

- 17.17 by 2030 reduce to 5% or below the transaction costs of migrants' remittances, including regulatory and administrative costs
- 17.18 enhance global cooperation to facilitate orderly, safe, responsible migration and mobility of people, including through implementation of planned and managed migration policies that facilitate migrants' contribution to sustainable development

17.19 by 2020, substantially strengthen capacities for data collection and statistical analysis relevant to sustainable development with a focus on generating timely and high-quality data disaggregated, as appropriate, by income, gender, age, race, ethnicity, and rural/urban location
