Guidelines for Combating Child Labour Among Indigenous and Tribal Peoples (ITPs)

People

What are the Guidelines for Combating Child Labour Among ITPs?

Guidelines to combat child labour among ITPs which meet ITPs' specific needs through a right-based approach, in use since 2006

For whom?

- **Direct beneficiaries:** ILO staff, partners such as governments, workers' and employers' organizations, development partners, civil society organizations, local organizations
- **Ultimate beneficiaries:** ITPs, working children

For what purpose?

Provide practical guidance on how to address the specific needs and rights of indigenous peoples, and thus combat child labour among indigenous children

How is it delivered?

- Training of trainers
- Training of beneficiaries
- Distribution of the tool, including through Internet

What are its components?

Four parts:

- Introduction
- Part I: A rights-based approach to indigenous child labour
- Part II: Improving education to combat child labour
- Part III: Operational challenges, principles and opportunities
- Part IV: For more information

Which technical areas are covered?

- ITPs
- Child labour
- Children's rights
- ILO conventions related to child labour
- Approaches to combat child labour

Can it cover more technical areas?

Yes, it could cover forced labour affecting indigenous and tribal children

© IFAD/Franco Mattioli

Where has it been used?

Distributed globally

Which languages?

Available in 2 languages: English and French

Is it suitable for rural areas?

Yes

What are its strengths?

- Right-based approach
- Practical
- Provides advice
- Provides numerous references and links to ILO tools
- Provides analysis of the issues surrounding child labour among a specific target group

Is there a training course in ITC-Turin?

Yes, it is part of the course “Indigenous and tribal peoples: rights and development”
