Preparation of proposals related to the protection of seafarers' wages when the seafarer is held captive on or off the ship as a result of acts such as piracy or armed robbery - Background paper and questionnaire - First round of consultations

Background paper and questionnaire for the Working Group of the Special Tripartite Committee established under the Maritime Labour Convention, 2006 (MLC, 2006)

Corrigendum

On page 9, insert a new paragraph, after paragraph 19, to read as follows:

However, the four cases (*Naham 3*, *Prantalay 12*, *Siraj*, and *Jaber*) referred to in paragraph 19 concern dhows and fishing vessels, which are specifically excluded from the scope of the MLC, 2006, and are therefore not directly relevant to the discussion on a possible way forward on the issue of seafarers' wages in the context of the MLC, 2006.
