ПЯТЫЙ ПУНКТ ПОВЕСТКИ ДНЯ

**Учреждение Независимого
консультативного комитета
по контролю***Дополнение*

1. После опубликования документа GB.300/PFA/5, в котором содержалась дополнительная информация, адресованная Комитету, относительно состояния дел с точки зрения проводимых консультаций, касающихся учреждения Независимого консультативного комитета по контролю (НККК), были проведены дальнейшие консультации. Хотя по-прежнему высказывались отдельные замечания и оговорки, особенно по вопросу о «добавленной стоимости» такого комитета, сложился широкий консенсус в отношении учреждения в экспериментальном порядке НККК.
2. В пересмотренном мандате этого комитета, включенном в приложение к настоящему документу, учтены комментарии и замечания, сформулированные членами Административного совета после последней его сессии. В частности, в нем разъясняется, что учреждение НККК ни в коей мере не отменяет функций надзора и другие полномочия Комитета по программе, финансовым и административным вопросам, которые установлены в Регламенте Административного совета.¹ В этом мандате определен круг обязанностей и роль НККК, а также указано, что на него возлагается обязанность оказывать консультативные услуги и формулировать рекомендации Комитету и что он не облечен никакими директивными полномочиями. Кроме того, в мандате НККК указано на его ответственность за отбор и назначение его членов и за установление критериев независимости.
3. Предлагается учредить НККК в экспериментальном порядке на период четырех лет. На третий год его существования запланировано проведение обзора и подготовка доклада, который будет представлен Административному совету. В этот доклад будут включены элементы оценки «добавленной стоимости» НККК с точки зрения эффективности методов управления Организации.
4. *Таким образом, Комитет может пожелать рекомендовать Административному совету:*

¹ Раздел 4.1.2, Регламент Административного совета.

- a) *утвердить вопрос об учреждении Независимого консультативного комитета по контролю в порядке эксперимента на период четырех лет в соответствии с мандатом, включенным в приложение к настоящему документу;*
- b) *предложить генеральному директору дать поручение провести обзор и оценку деятельности Независимого консультативного комитета по контролю в течении третьего года его работы и отчитаться на этот счет перед Административным советом;*
- c) *предложить генеральному директору выдвинуть кандидатуры в члены Независимого консультативного комитета по контролю, которые должны быть рассмотрены Комитетом по программе, финансовым и административным вопросам после консультаций с должностными лицами Административного совета.*
