

*The Governing Body decided to:*

- (a) recommend to the 98th Session (2009) of the International Labour Conference that it arrange its programme of work to include the proposals contained in document GB.304/15/2(&Corr.);*
- (b) instruct the Director-General to make the necessary practical arrangements for the implementation of this proposed programme of work of the Conference;*
- (c) suspend its decision to place on the agenda of the Conference an item on employment and social protection in the new demographic context; and*
- (d) take a decision on the most appropriate way to deal with this item at its November 2009 session, including possibly by a tripartite meeting of experts to be convened as early as possible.*
