Rules of procedure

The Rules for Regional Meetings (2008) will govern the powers, functions and procedure of the Tenth European Regional Meeting. They are available on the Meeting website.

Composition of delegations

In accordance with article 1, paragraphs 1 and 4.1, of the Rules, each member State taking part in the Meeting is invited to send a tripartite delegation composed of two Government delegates, one Employers’ and one Workers’ delegate, accompanied by such advisers as may be considered necessary.

Article 1, paragraph 2, stipulates that Employers’ and Workers’ delegates and advisers shall be chosen in agreement with the industrial organizations, if such organizations exist, which are most representative of the employers or workers in the State or territory concerned.

Furthermore, in accordance with the resolution concerning the strengthening of tripartism in the overall activities of the ILO, adopted by the International Labour Conference at its 56th Session (1971), member States must send tripartite delegations whose members are able to act in full independence of one another.
Gender parity

The ILO is committed to promoting gender equality and appeals to governments of member States, as well as to national organizations of employers and of workers, to make every effort to ensure that women represent at least 30 per cent of the delegation, while working towards the ultimate aim of parity. This appeal gives voice to the resolution concerning gender equality at the heart of decent work, adopted by the International Labour Conference at its 98th Session (2009), as well as the resolutions addressing the participation of women in ILO meetings, adopted at its 60th (1975), 67th (1981), 78th (1991) and 98th (2009) Sessions, and the United Nations Economic and Social Council (ECOSOC) resolution of 1990.

The European region is the region that has achieved the highest level of participation by women, and at the Ninth European Regional Meeting this stood at 41.4 per cent. In view of this positive approach to gender equality in the region, it is hoped that governments and national organizations of employers and of workers will maintain their efforts, and the region will become the first to respect gender equality fully at the upcoming Meeting in Istanbul.

Financial arrangements

Each member State must pay the travel and subsistence expenses of its tripartite delegation (article 1, paragraph 1, of the Rules).

Group meetings

Governments, Employers and Workers will meet on Monday, 2 October 2017 from 8.30 to 10.30 a.m. to elect their respective Officers and discuss issues dealt with in the Director-General’s Report. The groups will continue to meet throughout the Meeting.

Format of the Meeting

The Regional Meeting will establish a Credentials Committee to deal with any issues arising out of the credentials of national delegations, as well as a Drafting Committee on the conclusions of the Meeting. All other discussions, apart from those held individually by the three groups, will take place in plenary. These include the plenary sittings given over to the discussion of the Report of the Director-General, and also those during which the Meeting will take up the subjects to be covered during the four special plenary debates around each of the four future of work conversations. These are: work and society; decent jobs for all; the organization of work and production; and the governance of work. These special plenary debates will be led by a moderator and panels, with interaction with Regional Meeting participants. To participate in the discussion of the Report of the Director-General, it will be necessary to register on the list of speakers, as described below.

The provisional programme of the Regional Meeting can be accessed here.

List of speakers for the discussion of the Report of the Director-General

Speaking in the plenary discussion on the Report of the Director-General will be according to a list of speakers. Participants wishing to take the floor can register in advance of the Meeting, as of Monday, 4 September, by email to ontal@ilo.org. It will also be
possible to register to speak when in Istanbul. The list of speakers for the discussion of the Report of the Director-General will close at **6 p.m. on Tuesday, 3 October**.

To allow as many speakers as possible to intervene in the discussion of the Report of the Director-General, article 10, paragraph 7, of the Rules stipulates that, except with the unanimous consent of the Officers of the Meeting, no speech shall exceed five minutes. Speakers are thus urged to make their interventions brief and to the point, reducing complimentary remarks to a strict minimum.

**Interpretation**

Simultaneous interpretation will be provided in English, French, German, Russian, Spanish and Turkish.

In the interest of accurate interpretation into the other languages, participants are strongly encouraged to send any prepared texts that they may wish to deliver during the Meeting to interpret@ilo.org, in advance of taking the floor. Texts should be labelled giving the name, title, country/organization of the speaker and item on the programme of the Meeting under which the speaker intends to deliver the statement. The interpreters will of course follow the statement as it is delivered, should the speaker depart from the written text. Paper copies of statements may also be handed over to the secretariat for transmission to the interpreters.

**Documents**

The Report of the Director-General which will serve as a basis for the debates will be published in English, French, German, Russian and Spanish, and will be available on the Meeting website. The draft conclusions of the Regional Meeting will be made available to participants in their group meetings on the morning of Thursday, 5 October, in the same five languages. The report of the Credentials Committee will be presented to the Meeting in English, French and Spanish. The draft report of the Regional Meeting will be made available on the Web in English, French and Spanish one week after the Meeting closes. There will then be a period of two weeks during which participants may submit amendments to the summary of their own interventions. The final version of the report, with any amendments received incorporated, will then be web posted on the Meeting website. The report of the Credentials Committee and the report of the Regional Meeting will be translated into German and Russian for presentation to the Governing Body together with the conclusions of the Meeting.

**Paper-smart document distribution**

All pre-session and in-session documents will also be posted on the Regional Meeting website. Wi-Fi will be available in the venue areas including all meeting rooms. **All delegations are strongly encouraged to bring laptops or tablets to the Meeting. A number of computers with Internet access will also be available at the venue.**

Meeting documents will be despatched in advance to delegations as follows:

- **four** copies for each delegation of member States represented at the Meeting (**one** copy for each of the two Government delegates, **one** for the Employers’ and **one** for the Workers’ delegates);

In line with the ILO greening policy, distribution of paper documents will be restricted during the Meeting. **Delegations are therefore encouraged to take the copies received**
prior to the Meeting with them, or to download the document from the Meeting website.

Social events

The Government of Turkey will host a reception on Tuesday, 3 October, at the end of the afternoon plenary sittings. Travel to and from the event will be provided. The exact venue will be communicated later.

The ILO Director-General will host a reception on the evening of Wednesday, 4 October, at the Hilton Istanbul Bomonti Hotel.
