1. This paper provides a summary of contributions received to 28 February 2021 and a comparison with the position at 28 February 2020. Appendix I gives details of contributions received during January and February 2021, and the position of contributions and amounts due as at 28 February 2021, subdivided as follows:
  - A. States which have settled their 2021 contributions in full.
  - B. States which have paid part of their 2021 contributions.
  - C. States which have made no payments towards their 2021 contributions.
  - D. Amount due by States when they ceased to be Members of the Organization.
2. Following the deferral of the 109th Session of the International Labour Conference from 2020 to 2021, credits resulting from the 2019 incentive scheme and 50 per cent of the 2018–19 Net premium were not distributed against eligible Member States' 2021 assessed contributions in January 2021. The 2019 audited consolidated financial statements will be considered by the Conference at its 109th Session in June 2021. The credits will be distributed after the decision and adoption of the financial statements by the Conference.
3. Appendix II gives details of those Member States which, at 28 February 2021, are two years, or more in arrears and which have lost the right to vote under article 13(4) of the Constitution.
