Zero new HIV infections. Zero discrimination. Zero AIDS-related deaths.
Implement the ILO Recommendation on HIV and AIDS (No. 200)

“ Now more than ever, public-private partnerships are critical to driving social and economic development forward. The **private sector must play a role in the fight against HIV & AIDS**. It makes business sense, protects and promotes human rights, and contributes towards a healthier economy. ”

Bob Collymore (Kenya)
CEO, Safaricom
