President: Mr Moyo

Government Vice-President of the Conference

Report of the Finance Committee: Presentation and approval

The President

It is my great pleasure to declare open the eleventh plenary sitting of the 112th Session of the International Labour Conference.

We shall begin with the presentation and approval of the report of the Finance Committee. I should like to recall that the Officers of the Committee are Ms Méndez Escobar (Mexico), Chairperson and Reporter, and Mr Marazita (Kiribati), Vice-Chairperson.

I now refer to the Committee's report, which can be found in [Record of Proceedings No. 4A](#) and which was published on the Conference website on Saturday. The report contains two resolutions concerning financial and administrative matters to be considered by the Conference: a resolution concerning the financial report and audited consolidated financial statements for the year ended 31 December 2023; and a resolution concerning the scale of assessments of contributions to the budget for 2025.

I kindly invite Ms Méndez Escobar to present to us the work of the Committee and its report.

Ms Méndez Escobar

Chairperson and Reporter of the Finance Committee

(Original Spanish)

I have the honour to submit to the Conference the report of the Finance Committee. This report was published over the weekend as document ILC.112/Record No. 4A and contains the recommendations of the Committee on the matters that it considered, and two resolutions presented by the Committee for adoption by the Conference.

We first considered an Office document on the status of collection of Member States' contributions, including an addendum containing up-to-date information on the additional contributions received during the period from 1 May to 7 June 2024, and we took note of the information provided.

We then considered the financial report and audited consolidated financial statements for the year ended 31 December 2023 and the Governing Body's recommendation that the Conference adopt the statements. The Committee noted with satisfaction that the financial statements were fully compliant with the International Public Sector Accounting Standards and that the Office's External Auditor, the Commission on Audit of the Republic of the Philippines, had given an unmodified audit opinion. The Committee agreed unanimously to propose that the 2023 financial statements be adopted by the Conference in accordance with article 29 of the Financial Regulations. The text of the resolution is included in Record of Proceedings No. 4A.

We also considered the proposed scale of assessment of contributions to the ILO regular budget for 2025, and recommended that the draft scale be adopted by the Conference. The text of the resolution is included in Record of Proceedings No. 4A.

There are two appendices to Record of Proceedings No. 4A. Appendix I contains the detailed scale per Member State for 2025. Appendix II presents the amount of the contribution due from each Member State for 2025, including any credits applied where eligible.

I would like to express my sincere gratitude to the members of the Committee and, also, to the members of the Secretariat for a very efficient and smooth Committee session. I would also like to recognize the work of the interpreters, report writers and translators, which ensured the timely and accurate processing of documents on the Committee's agenda, as well as the report that I am presenting today.

With these remarks, I commend the report and its resolutions to the Conference for adoption.

The President

Many thanks, Ms Méndez Escobar, for this summary of the work of the Committee and of the resolutions it is submitting to the Conference for adoption in plenary. If there are no requests for the floor or objections, may I take it that the Conference approves the report of the Finance Committee, paragraphs 1–10 and its Appendices I and II, as a whole?

(The report – paragraphs 1–10 and Appendices I and II – is approved.)

We shall now proceed with the adoption, one by one, of the two resolutions stemming from the work of the Finance Committee.

Resolution concerning the financial report and audited consolidated financial statements for the year ended 31 December 2023

The President

Let us begin with the first resolution in the report, namely the resolution concerning the financial report and audited consolidated financial statements for the year ended 31 December 2023.

If there are no objections, may I take it that the Conference adopts this resolution?

(The resolution is adopted.)

Resolution concerning the scale of assessments of contributions to the budget for 2025

The President

Let us move swiftly on to the resolution concerning the scale of assessments of contributions to the budget for 2025.

If there are no objections, may I take it that the Conference adopts this resolution?

(The resolution is adopted.)

On behalf of the Conference, I wish to express our sincere gratitude to the members of the Finance Committee and to the Secretariat. The Conference, as a whole, thanks them for their hard work and dedication.

(The Conference continues its work in plenary.)
