## Day 2 (Friday 29th November)

| Time        | Sessions           |
|-------------|--------------------|
| 09.00-09.15 | <b>Day 1 Recap</b> |

<sup>1</sup> Session Outline: In (approx. 4) small groups, participants review (a summary of) the principles of the MNE Declaration, and work together to identify the principles (aimed at government and enterprises) that are most relevant and applicable to the Indonesian electronics sector.

<sup>2</sup> This session will explore how leading electronics firms have operationalized international guidance (incl. UNGPs and MNE Declaration) and integrated decent work and responsible business in their operations and supply chains.

|             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| 11.55-13.45 | Lunch / Friday Prayer                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| 13.45-15.15 | <p><b>SESSION 7: CO-CREATING A PATHWAY FORWARD</b></p> <ul style="list-style-type: none"> <li>Group co-creation exercise: building consensus and planning next steps (90mins)<br/> <i>Facilitator: Ms. Josee Laporte (ILO)</i></li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 15.15-15.45 | <p><b>CLOSING</b></p> <ul style="list-style-type: none"> <li>Mr. Simrin Singh, Director, ILO Country Office for Indonesia and Timor Leste (Confirmed)</li> <li>Mr. Anwar Sanusi, Secretary General, Republic of Indonesia, Ministry of Manpower,</li> <li>Mr. Kahar S Cahyono, Trade Union, Vice President of the Indonesian Trade Union Confederation (KSPI) (Confirmed)</li> <li>Mr. Aloysius Budi Santoso, General Secretary of Indonesian Employers Association (APINDO)</li> </ul>                                                                                                                                                                                                                                                                                                                                             |

<sup>3</sup> Content: Participants are divided into four groups and tasked to think of five key follow-up actions around the following questions:

- What are the entry points to promote RBC in the sector?
- Which good business practices should be replicated and how can this be done?
- What priority actions should be implemented to operationalize the key principles of the MNE Declaration?
- How could coordination and coherence be improved to promote sustainable and responsible business practices?
