

► Labour Law and IR Reform

► At a glance

Partners: MOHR, MTUC, MEF

Donor: USDOL

Duration: 2017-2022 (with possible extension)

Target beneficiaries: MOHR officials, employers, workers

Geographic coverage: Malaysia

► Project goal

Increased compliance with labour law and ILO fundamental principles and rights at work.

► Project objectives, activities, and progress to date

- **Objective 1:** The Malaysian legal framework is more consistent with international labour standards:
 - Article-by article comments on draft laws
 - Capacity-building for MOHR and social partners
 - Support to tripartite consultation
- **Objective 2:** The Malaysian labour inspection (LI) system is more effective at enforcing labour laws, decrees, regulations, and other enforceable instruments:
 - Capacity-building for LI officials
 - Comprehensive review of LI system
 - Recommendations on improving efficiency and effectiveness
 - Implementation of recommendations
- **Objective 3:** Labour disputes are resolved more effectively and efficiently:
 - Capacity-building for LDR officials
 - Comprehensive review of LDR system
 - Recommendations on improving efficiency and effectiveness
 - Implementation of recommendations
