	File title	e53466
	Caption (what is going on in the photo and who are involved)	The project provided equipment for the processing of figs and also supported the technical training of twenty local women. These women now produce and sell fig jams, juice, syrup, dried fruit and pasta, which they cook in a room provided by the state and rehabilitated by the ILO (women employment, food industries, cooperative)
	Country taken	Tunisia
	Date taken	25 February 2016
	Photographer and organizational affiliation (if applicable)	Crozet M. / ILO
