1.1.5. Existing Legal and Administrative Gaps in National OSH Legislation vis-à-vis C155 and C187	17
1.1.6. Practical Application of International Standards	18
1.1.7. Engendering of OSH Legislation	18
1.1.8. Addressing of Workplace Psychosocial Risks in Risk Assessment Procedures	19
1.2. OSH Technical Standards, Guidelines and Management Systems	20
1.2.1. Implementation of OSH Management Systems at Enterprise Level	20
1.2.2. Availability and Use of Technical Standards Related to OSH	20
1.2.3. Use of ILO Codes of Practice by Competent Authorities, Business and Trade Union	20
2. NATIONAL COMPETENT AUTHORITIES	22
2.1. Occupational Safety and Health Inspectorate Unit	22
2.1.1. Enabling Legislation	22
2.1.2. Duties and Responsibilities of OSH Inspectorate Unit	22
2.1.3. Geographical Distribution, Staff Establishment and Organisational Structure of OSH Inspectorate Unit	22
2.2. Minerals and Mines Department's Inspectorate/Regulatory Unit	24
2.2.1. Enabling Legislation	25
2.2.2. Duties and Responsibilities of Minerals and Mines Department's Inspectorate/Regulatory Unit	25
2.2.3. Geographical Distribution, Staff Establishment and Organisational Structure of Minerals and Mines Department's Inspectorate Unit	25
3. INSPECTION AND ENFORCEMENT SYSTEMS	28
3.1. Enforcement Powers of OSH Inspectorate Unit	28
3.1.1. Number of Enterprises Covered by OSH Inspectorate Unit	28
3.1.2. Number and Types of Inspections Carried out by OSH Inspectorate Unit per Year	29
3.1.3. Number and Types of OSH Violations per Year	30
3.2. Enforcement Powers of Minerals and Mines Department's Inspectorate Unit	33
3.2.1. Number of Mining Enterprises Covered by Minerals and Mines Inspectorate Unit	33
3.2.2. Number and Types of Inspections Carried out by Minerals and Mines Inspectorate Unit per Year	34
4. CONSULTATION, COORDINATION AND COLLABORATION MECHANISMS	35
4.1. At National Level	35
4.1.1. Functions of Tripartite Advisory Technical Committee for Occupational Safety and Health	35
4.1.2. Composition of Experts Committee	35
4.2. At Enterprise Level	36
4.2.1. Safety and Health Representatives	36
4.2.2. Safety and Health Committees	37
5. NATIONAL REVIEW MECHANISMS	38
6. TRAINING, INFORMATION AND ADVISORY SERVICES AND MECHANISMS	39
6.1. OSH Training and Educational Institutions	39
6.2. Institutions/Mechanisms for Producing and Disseminating OSH Information	39
6.3. OSH Advisory Services and Mechanisms	39
7. OCCUPATIONAL HEALTH SERVICES	40
8. OSH LABORATORIES	41
9. SOCIAL SECURITY, INSURANCE SCHEMES AND COMPENSATION SERVICES	42

10. EDUCATIONAL, TRAINING AND AWARENESS-RAISING STRUCTURES	43
10.1. University and College Courses Related to OSH	43
10.1.1. University of Eswatini	43
10.1.2. Good Shepherd College	43
10.1.3. Institute of Development Management	43
10.2. Training Structures Run by Employers' and Workers' Organisations	43
10.2.1. Training Structures Run by Employers' Organisations	43
10.2.2. Training Structures Run by Workers' Organisations	44
10.3. Institutions Offering Recognised training for OSH Specialists	44
10.4. National Safety Councils and Associations	44
11. SPECIALISED TECHNICAL, MEDICAL AND SCIENTIFIC INSTITUTIONS	45
11.1. Existing Poison Control Centres	45
11.2. Standards Bodies	45
11.3. Institutions Specialised in Risk Assessment Relating to Chemical Safety	46
11.4. Emergency Preparedness Services	46
11.5. NGOs Dealing with OSH or Related Activities	47
12. OVERALL NATIONAL LEVEL OF HUMAN RESOURCES ACTIVE IN THE AREA OF OSH	48
13. STATISTICS OF OCCUPATIONAL ACCIDENTS AND DISEASES	49
13.1. Existing Mechanisms for Recording and Notification of Occupational Accidents and Diseases	49
13.1.1. Existing Mechanisms for Recording and Notification of Occupational Accidents	49
13.1.2. Existing Mechanisms for Recording and Notification of Occupational Diseases	50
13.2. National List of Occupational Diseases	50
13.3. Number of Occupational Injuries per Year	52
13.3.1. Accidents Reports Received by Region of the Country	52
13.3.2. Accident Classification by Type of Industry	53
13.3.3. Comparison of Records of Accident Reports Received in 2017 and 2018	55
13.3.4. Accident Classification by Cause of Accident/Injury and Nature of Accident, 2017	56
13.3.5. Accident Classification by Industry and Part of Body Injured	56
13.3.6. Conformity of Eswatini System of Recording and Notification of Occupational Accidents and Diseases with ILO Code of Practice	58
14. POLICIES AND PROGRAMMES OF EMPLOYERS' AND WORKERS' ORGANISATIONS	59
14.1. Employers' Organisations	59
