

► How to get the ILO Training package on the Code of practice on safety and health in construction (*electronic format only*)

The ILO Training package on the Code of practice on safety and health in construction is contained in large electronic files and not appropriate to be downloaded directly from the website.

OSH training institutions, construction technical training institutions, labour inspectorates, employers' and workers' organizations, as well as other construction stakeholders in the construction sector, interested in the training package will be able to receive them by following completion of the application form.

It should be submitted electronically to the Sectoral Policies Department (SECTOR) of the ILO, at the mail address: sector@ilo.org.
