

► How to get the ILO Training package on the Code of practice on safety and health in forestry work *(electronic format only)*

The ILO Training package on the Code of practice on safety and health in forestry work is contained in large electronic files and not appropriate to be downloaded directly from the website.

All those involved in forestry work, including employers, workers and their representatives, labour inspectors, as well as other stakeholders in the forestry work sector, interested in the training package will be able to receive them by following completion of the application form.

It should be submitted electronically to the Sectoral Policies Department (SECTOR) of the ILO, at the mail address: sector@ilo.org.
