

Trade, investment and decent work in Indonesia

► Day 1 – 28 April 2026

Individual Stakeholder Consultations on Trade and Decent Work

The ILO will invite representatives of employers, workers and civil society, and CMEA to invite government officials to the sessions. Each group will have a dedicated consultation session with a maximum of 10 participants. These sessions aim to gather insights on trade, investment, and decent work from key stakeholder groups. They will also explore participants' views on the policies needed to ensure positive outcomes for workers and enterprises, including labour provisions in trade and investment arrangements.
