► Webinar Series

► Business Is Not as Usual SEASON II

Business Is Not as Usual is back, delivering cutting-edge insights for senior leaders of Employers' and Business Membership Organizations (EBMOs) worldwide.

► About the Series

What: A series of five high-impact webinars exploring key insights from scientific studies and leading research on EBMOs, including their evolution and influence on business environments and labour markets.

Key Topics:

- The evolution of EBMOs
- Governance in institutions: global trends and business implications
- The interplay between populism, globalization, and the crisis of representativeness
- The impact of Artificial Intelligence on industrial relations
- The emerging "new social pact": social protection and beyond

When: One session per month (with a summer break), over seven months.

► Format: 60 – 75 minutes per session

► Save the Dates

- **First Webinar:** Monday, 27 April 2026 – 2 pm (Geneva time)
- **Subsequent sessions:** 27th of each month (unless otherwise informed)

► How to Join?

Reserve your place today!
