

TUCOSWA WORKSHOP: TOWARDS DEFINING A POST-REGISTRATION AGENDA

ESIBAYENI LODGE, SWAZILAND

17th - 20th July, 2015

Objectives:

The workshop focus areas and intended outputs are as follows,

- A. TUCOSWA registration, carry out a SWOC analysis on what this means in practical terms for FOA and collective rights as well as other freedoms of workers in SWZ, (this will be presented by TUCOSWA), what opportunities avails themselves immediately by virtue of the registration, any potential threats to be aware of
- B. Review of implementation status of TUCOSWA strategic plan 2012/16, much focus was on achieving registration and other strategic objectives have been neglected, which ones? How do we prioritise??
- C. Reflection on the recommendations from the TUCOSWA Organisational Assessment, 2014 what recommendations can we pick up to inform the basis for a post registration agenda?
- D. Role of TUCOSWA in policy dialogue, what is TUCOSWA's policy agenda post registration, what rules for engagement with Govt and employers will be used (reactive or pro-active, what alternative policy proposals will TUCOSWA be bringing to the tripartite on what key issues?
- E. Development of a 100 days post registration action plan with indicators of achievement clearly defined.
