

Zimbabwean Booth Collaboration

To collaborate on any of below opportunities, hit the "chat" button and *let's discuss to explore!*

1- Collaboration opportunity 1 – Skills Development in a Green Economy – Upscaling the capacity of more TVET institutions to deliver skills for a green economy. Empowerment of young men and women through skill training and provision of economic opportunities in a green economy

- Potential beneficiaries: young people between 18 to 35 years
- Geographic outreach: Rural and Urban Communities
- WE ARE LOOKING FOR **POTENTIAL COLLABORATORS, who are:**
 - Working in same and different geographic location, or
 - Working on skills development of young people women, and/or
 - Working on technical skills and business creation opportunities for young people (rural and urban)

2- Collaboration Opportunity 2 – Engagement with TVETs and sharing experiences on how to deliver technical skills for a green economy

- Potential beneficiaries: Technical and Vocational Education and Training (TVET) Institutions
- Geographic outreach: Private and Public TVET Institutions
- WE ARE LOOKING FOR **POTENTIAL COLLABORATORS, who are:**
 - Working in different geographic location, or
 - Working on technical skills and business creation opportunities for young people (rural and urban)

3- Collaboration opportunity 3 – Best practices to develop TVET and private sectors partnerships as means to facilitate work-based learning

- Potential beneficiaries: young people between 18 to 35 years
- Geographic outreach: Rural and Urban Communities
- WE ARE LOOKING FOR **POTENTIAL COLLABORATORS, who are:**
 - Working in same and different geographic location, or
 - Working on skills development of young people, and/or
 - Working on technical skills and business creation opportunities for young people (rural and urban)
