

Cotton WITH Decent Work Project

Started in **2015**

Ending in **2021**

US\$ 6.901.932,46
is the total amount

The Cotton with Decent Work Project aims to contribute to the improvement of work conditions in the cotton value chains of Mali, Mozambique, Paraguay and Peru by promoting decent work through South-South Cooperation. It has a Regional Component and Country-Projects:

Regional Component

In which the project coordination, the regional events and the knowledge management takes place

Country-Projects

Subprojects formulated together with representatives from each country to customize actions to specific contexts

IMPLEMENTATION STRATEGY

THE PROJECT IS ORGANIZED IN 3 STRATEGIC PHASES:

1. IDENTIFICATION AND PREPARATION...

- ✓ Project signed, funds transferred and Global-Project activated
- ✓ Expressions of interest received and countries selected
- ✓ Coordination team hired
- ✓ Initial meetings held (Steering Committee, Advisory Committee, articulations, among others)
- ✓ 5 studies on decent work deficits in the cotton value chain of the countries produced
- ✓ 5 prospective missions held

2. IMPLEMENTATION

- ✓ Evaluability Assessment carried out
- ✓ 5 regional events organized
-  Country-Project Paraguay formulated, approved, signed and in implementation
-  Country-Project Peru formulated, approved, signed and in implementation
-  Country-Project Mali formulated, approved, signed and in implementation
-  Country-Project Mozambique formulated and approved

3. SISTEMATIZATION AND EVALUATION

-  Labour inspection methodologies (mobile inspection group, collective notification, national plans)
-  MONITORA 8.7
-  MIRTl (Child Labour Risk Identification Model)
-  Prospective methodology
-  National plans against child labour
-  Strengthening of cotton producer associations
