

Latin American Panel on the Future of Work

From G20 to Latin America – Challenges and Opportunities

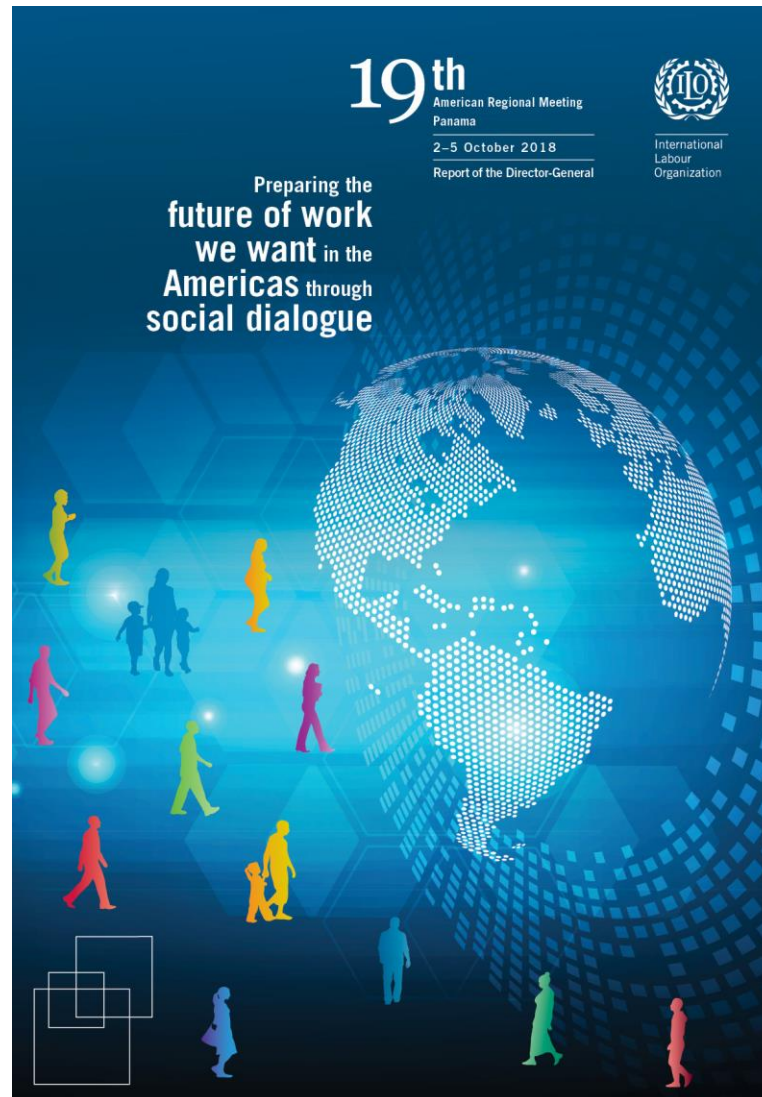

International Labour Organization

Mendoza, Argentina

5th September 2018

19th American Regional Meeting – Panama, 2-5 October 2018

Policy responses for the Future of Work we want in LAC

1. Sustained, inclusive and sustainable growth with more and better jobs: the need to focus on coordinated efforts
2. Formalization: integrated and sustained effort
3. Policies for greater equality and social justice
4. Respect for rights at work and fundamental rights
5. More inclusive labour institutions and coverage of new forms of employment
6. Education and vocational training
7. Social protection
8. Policies for labour migration
9. Youth employment
10. Wage policies
11. Policies to facilitate fair transitions in labour markets
12. Policies to promote gender equality in labour markers

Policy responses in focus (1)

Sustained, inclusive and sustainable growth with more and better jobs: the need to focus on coordinated efforts

Formalization: integrated and sustained effort

Education and vocational training

More inclusive labour institutions and coverage of new forms of employment

Thank you!
