

Do you know the process of ILO instruments submission to the competent authority?

On 28th March, Ministry of Overseas Pakistanis and Human Resource Development in cooperation with the ILO will organize a one-day National Consultation of key stakeholders to discuss the 39 ILO Instruments that require submission to the competent authority. The workshop will bring together participants from various departments from all provinces, AJK, GB and ministries at federal, representatives of employers, workers and civil society.

The Government of Pakistan also has an obligation to consult with the representative organisations of employers and workers prior to the submission of Instruments due to its obligations under the Tripartite Consultation (International Labour Standards) Convention, 1976 (No. 144)
