Skills
for prosperity
Indonesia

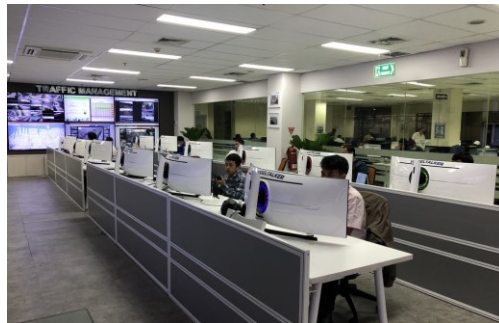

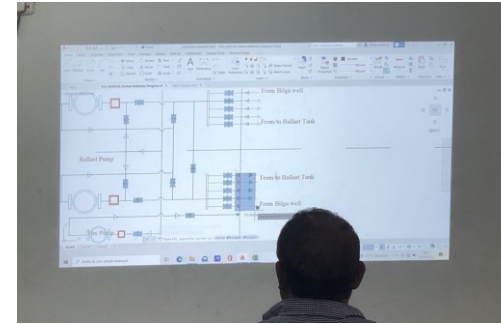

Why was this collaboration needed?

Contribute to the development of skills needed for establishing a globally recognised blue economy in Indonesia through establishing synergies between UoS and PPNS.

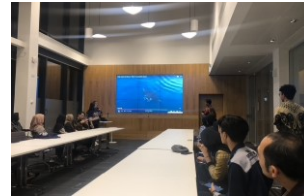

We are
rated number 1 in
Europe
and
3rd in the world
for Marine/Ocean
Engineering by Shanghai
Ranking's 2022.

Strengthening the Study Programme

Capacity Building and Professional Development for Staff

Enhancing Student Experience

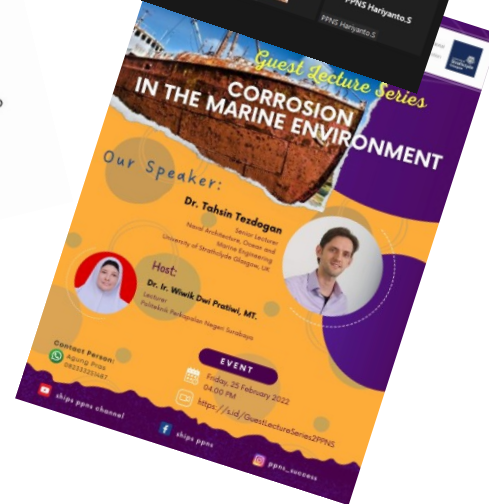

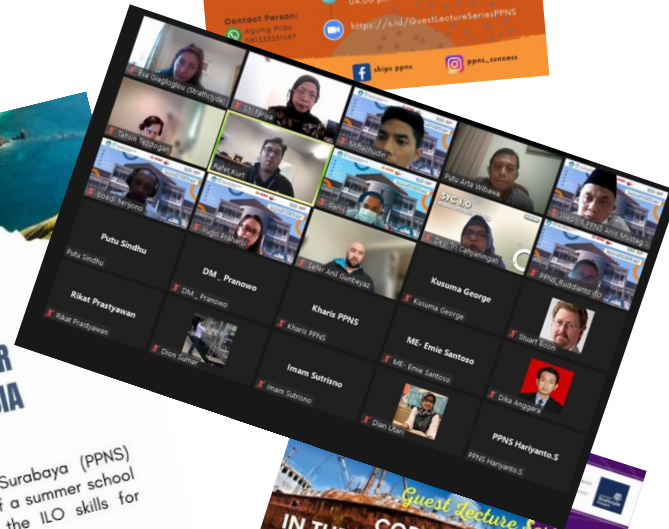

SEMINAR FOR NAOME STUDENTS EXPLORING OPPORTUNITIES FOR SUMMER SCHOOL IN INDONESIA

Shipbuilding Institute of Polytechnic Surabaya (PPNS) would like to present the opportunity of a summer school program in Indonesia as a part of the ILO skills for prosperity project.
Learn and explore maritime studies in an archipelago country with more than 17,000 islands.

Come and join us!

Raising International Profile

- Established International Industry Advisory Board
- Joint Funding Applications
- Conference Organizations
- Publications and presentations

Challenges

- COVID
- Cybersecurity
- Communication
- Time Difference

The Way Forward

- MoU signed between UoS and PPNS
- Conduct Joint Research Projects
- Maintain student exchange programmes
- Establish visiting appointments and staff exchanges
- Continue capacity building in the key strategic areas
- Support PPNS establishing technology advanced training
- Continue IAB activities
