

In collaboration with the International Labour Organization (ILO), the Philippine Overseas Employment Administration (POEA), and the Overseas Workers Welfare Administration (OWWA), Yale University is conducting a study on the impacts of Overseas Filipino Worker migration on their family members and on the academic performance of the children left behind.

This survey will take 5-10 minutes on Facebook Messenger. Upon completion, we will also contact you at your most convenient time to conduct a 30-minute follow-up phone survey. Any information you provide will be kept confidential and used for research purposes only.
