ILO/KOREA Partnership Programme

A combination of ILO and Korean experiences

Over 15-year
collaboration

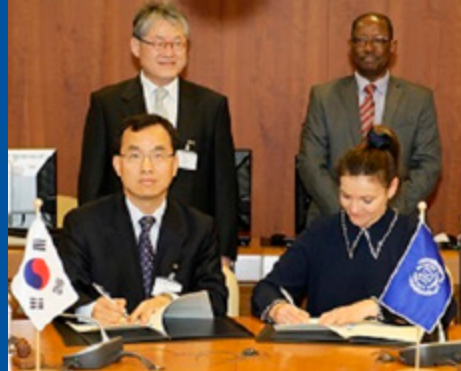

October 2003

The ILO and The Republic of Korea signed Memorandum of Understanding (MOU), marking the beginning of the bilateral collaboration.

April 2004

Ministry of Employment and Labor (MOEL-ROK) provided funding to initiate the ILO/ Korea Partnership Programme.

2018

The collaboration between ILO and ROK enters the 15th year with ongoing contribution to Decent Work outcomes in Asia and the Pacific.

What we have achieved

 Skills

- 2013-14 Assisted Lao PDR in developing National Skills/Competency Standards in the Construction, Automotive and Information and Communication Technology (ICT) Sectors.
- 2015 Developed comprehensive action plans of mutual recognition of skills (MRS) for ASEAN Member states (AMS) with specific focus on Cambodia, Lao PDR and Myanmar (CLM) within the framework of the ASEAN Qualifications Reference Framework (AQRf).
- 2015-16 Developed and improved skills/competency standards in masonry, building electrical wiring, bricklaying, welding etc. in CLM countries.
- 2016-17 Conducted capacity building activities in cooperation with the Korean partner institutions:HRD Korea – training of trainers; training of assessors; curriculum development training; Korea Tech – advanced level training for master trainers in ICT and automotive sectors.

 Social protection

- 2008 Introduced Employment Injury Insurance (EII) in Cambodia.
- 2011-13 Provided social Protection Assessment-based National Dialogue (ABND) exercise to Cambodia, Indonesia, Thailand and Viet Nam.
- 2016 The Sub-Decree on “National Health Insurance Scheme” for workers of formal private sector in Cambodia was endorsed by the Prime Minister.
- 2017 Provided technical assistance on the drafting of an Investment Policy for the National Social Security Fund (NSSF) Employment Injury Insurance (EII) for the Cambodian government.

 Occupational Safety and Health

- 2011 Supported the 5-year (2011-2015) mid-term national OSH programme in Lao PDR.
- 2013-14 Supported Indonesia to launch and operate the TOT Work Improvement on Small Enterprise (WISE) and WISCON projects to decrease industrial accident in construction site.
- 2015 Organized National Tripartite Consultation on Proposed Occupational Safety and Health Legislation in Myanmar.
- 2017-present Held OSH awareness raising campaign throughout the country in Myanmar.

 Public Employment Policy

- 2016 Successfully advocated with the Ministry of Labour, Invalids and Social Affairs of Viet Nam (MoLISA) for the inclusion of a Public Employment Policy (PEP) within the framework of the component of the National Targeted Programme for Sustainable Poverty Reduction.

New approaches for 2018-20

3-year budget cycle to increase programme efficiency and long-term development policies.

Skills:
Promoting ASEAN Initiatives in TVET and Skills for Inclusive Future

Social protection:
Supporting the implementation of sustainable social protection floors for the workers and their families in ASEAN

OSH:
Establishing and enhancing an overall Occupational Safety and Health framework in Myanmar and Lao PDR.

Focus on selected countries

Closer ties with Korean partner institutions
