

Proposed revised resolution text for the methodology of the SDG indicator 8.8.2 on labour rights

The 20th International Conference of Labour Statisticians,

Recognising the need to have an internationally agreed methodology to measure indicator SDG 8.8.2 on labour rights consistent with the Resolution adopted by the United Nations General Assembly on Work of the Statistical Commission pertaining to the 2030 Agenda for Sustainable Development (A/RES/71/313), Annex taken on 6 July 2017,

Taking note that the Inter-Agency Expert Group on Sustainable Development Goals (IAEG-SDG) in its session of March 2017 requested to have an agreed methodology endorsed by the ICLS in its present session,

Having reviewed the proposed methodology presented by the ILO, recognizing that its constituents have been consulted through preparatory meetings;

Noting that a dedicated Committee within the ICLS considered the proposed methodology based on a detailed technical document with amendments resulting from these consultations;

Recommends that the Office:

- (a) Adopts the reviewed methodology as amended for indicator 8.8.2 [and set out in the annex](#) and communicates the endorsement of the ICLS to the IAEG-SDG for its consideration and action.
- (b) Communicates on behalf of the ICLS the confirmation that the ILO should be the custodian agency for this indicator, given that ILO textual sources are its statistical foundation;
- [\(c\)](#) Makes the necessary internal arrangements [and allocation of resources](#) to undertake the annual production and reporting of the indicator to the U.N.

[Recommends that the Governing Body of the ILO:](#)

- ~~(e)~~(d) [Considers the creation of a tripartite committee as called for in the annex to further address improvements to the methodology](#)
