

**Global Dialogue Forum on Employment Relationships
in the Media and Culture Sector**

Geneva
14-15 May 2014

Proposed points for discussion

1. What challenges do governments and the social partners face with respect to employment relationships in the media and culture industries?
2. How can social dialogue contribute to addressing those challenges and to improving social protection coverage for media and culture workers?
3. Which measures could help to improve both business and employment prospects for the media and culture industries?
4. What should be the recommendations for future action by the International Labour Organization and its Members regarding employment relationships in the media and culture industries?
