SUMMER SCHOOL ON THE FUTURE OF WORK

YOUNG PEOPLE INNOVATING TOGETHER

OVERVIEW

SNAPSHOT OF THE SUMMER SCHOOL

The world of work looks a little different every day.

These changes – driven by technological innovation, demographics, climate change, and globalization – are unprecedented in their scale, speed and depth. They are already profoundly reshaping the ways in which people work and live.

An entire generation is ready to innovate for the work they deserve. Are you in?

WHAT

WHAT TOPICS DOES THIS SUMMER SCHOOL COVER?

For its 100th anniversary, the ILO is inviting young people from all over the world for a **Summer School on the Future of Work**. The Summer School will provide participants with the tools they need to help shape new strategies and policies that deliver economic security, equal opportunity and social justice.

WHAT WILL I LEARN?

- Discover the **impact of technology on jobs**, as well as the risks and opportunities for governments, businesses, and people
- Gain insights into the **jobs of tomorrow**
- Receive an introduction to *Just Transition* strategies that balance social development with **environmental sustainability**
- Discuss the principles of **responsible business conduct**
- Explore a **transformative agenda to promote gender equality and diversity** in the workplace.

WHAT WILL I BE ABLE TO DO?

There is a real need to understand and anticipate the changing employment landscape, so we can work towards a better future of work. Jointly with other young leaders

- develop probable and preferable **scenarios of the future**
- draw **strategy maps** that illustrate a pathway towards this brighter future of work
- **study more in-depth some of the policies and tools** to reach the milestones along the pathway.

WHY

WHY SHOULD I JOIN?

- Gain access to the latest findings of research on the Future of Work released by the ILO, the **Global Commission on the Future of Work** and other UN agencies
- Debate the Future of work with **other young people from all over the world**
- Choose from **eight elective courses**, covering topics such as fair migration, skills for the future and global labour mobility.

WHO

WHO ATTENDS THIS SUMMER SCHOOL?

- Students who aspire to be thought leaders in the debate about the link between decent work and sustainable development
- Young people with leadership positions.

ILO

FUTURE OF WORK CENTENARY INITIATIVE

The ILO has launched a global initiative on the Future of Work that stresses the link between Decent Work and Sustainable Development. The ILO promotes the idea of a global social contract resting on three pillars:

- Increasing investment in people's capabilities
- Increasing investment in the institutions of work
- Increasing investment in decent and sustainable work.
