Project development, awareness raising and support for the implementation of the global action plan to eliminate the worst forms of child labour by 2016	01 May 2008	30 September 2013	United States
Objective: This project will enable IPEC to improve the quality of new projects which will receive direct beneficiary monitoring support. Through World Day Against Child Labour, the awareness on child labour will be enhanced and the mobilization of key individuals and communities will consequently be increased.
